# 1953-1962 INTERIORS

1958 Vinyl Seat Covers

1960 Vinyl Seat Covers

1961 Vinyl Seat Covers

1959 Vinyl Seat Covers

## USE YOUR COLOR CODE WHEN YOU ORDER!

Once you know your 2-digit Interior Color Code, ordering any interior product is easy. All part numbers for interior items, where multiple colors are available, consist of a part number followed by a blank space for the Color Code.

### 1956-1962 VINYL SEAT COVERS

Our seat covers are carefully made with the world-class craftsmanship and strict attention to detail that your car deserves. Each beautifully reproduced set contains two backs and two bottoms.

<b>4165</b>	56-57	Vinyl Seat Cover Set.....	<b>\$500<sup>99</sup></b>

## SAVE MONEY WITH AN INTERIOR PACKAGE!

Renew your Corvette's interior with the popular, the affordable, the Original Interior Package. When you buy at least three of the major interior components — **Carpet, Seat Covers, Door Panels, Dash Pads** — you'll SAVE big with "Package" prices! Interior Packages are available for 1959-2004 Corvettes.

#22149 1958

#25473 1961

### 1956-1962 SEAT FOAM

Our Seat Foam has the correct feel, density and size. Each set contains two backs and two bottoms.

1961

## 1959-1961 DOOR PANELS

Corvette America is dedicated to continually improving their interior products with over three decades of research, development and manufacturing experience. That dedication to quality improvement is evident in the new 1959-1961 Door Panels.

These Door Panels are improved with raised inserts that are reshaped and rounded for a softer, more original appearance that fit perfectly with the new S-Trim. The upper part of the panel now has a thin layer of foam padding under the vinyl for a more upholstered look and feel. The arc of the sew line on the upper panel is patterned to the upper part of the chip board for a parallel fit between the two pieces. The top of the panel has been radius cut to match the contour of the original GM panels.

### INTERIOR DYES

Corvette America's Interior Dye produces accurate color and solid coverage on leather, vinyl, fiberglass, plastic and metal.

Available in a 12-oz. Aerosol spray or Quart. Use your interior Color Code to complete the part number.

### DYE SURFACE PREP

Use our Surface Prep to remove dirt, oils and residue before priming. Fast drying and ready to paint in minutes.

### ADHESIVE PROMOTER

Promotes strong, even adhesion of topcoat material when repairing or refinishing plastics. Also works on most flexible or rigid plastics on painted surfaces.

### PRIMER

For best results, finish off your prep work with our quality primer. Promotes even paint coverage and a better finish.

### SPRAY ADHESIVE

Our high-tack Interior Spray Adhesive is easy to work with and produces a strong bond between hard parts and materials.

### INTERIOR DYE CLEAR COAT

Protect your reconditioning work for years to come with our Interior Clear Coat. Covers your interior components with a smooth, protective finish & preserves your interior's color.

**Note:** Order code 20 for 59-60 or 61-62 Olive Black Tuxedo, which matches original. For 100% Black please use code B1. **Note:** Stock 1959 Corvettes may feature either Daytona or Tuxedo Carpet depending on production number. Please specify your correct style when ordering.

**INCOMPARABLE DETAILS & QUALITY**

**Correct Foam Backing**

Accurate dark gray color (vs. white) and high density for 1953-62. Correct 1953-55 Gros Point & 1956-59 Daytona Carpet

**Correct Tuxedo Carpet**

The Only 1953-1962 Carpet for the True Restorer!

**HEAT BARRIER KIT**

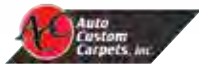

If heat reduction is your main concern, this option is for you. Made from technologically advanced ceramic cloth backed by reinforced foil, Heat Barrier Kits will reduce interior compartment temperatures by up to 50%! Thermal rated to 2300°. Only 1/8" thick, so your carpet will fit perfectly. May be combined with carpet insulation. Each piece is clearly labeled for easy installation.

- 41894** 56-62 Heat Barrier Kit - Front ..... **\$132<sup>99</sup>**

**Embroidered Logo**

**FLOOR MATS**

Protect your new 1953-1962 Carpet with a matching set of Floor Mats! Choose from Gros Point, Tuxedo or Daytona carpet. Edges are bound and mats feature non-skid backing.

- 4648** 53-55 Gros Point - pr.....**\$135<sup>99</sup>**
- 4649** 56-58 Daytona - pr.....**\$147<sup>99</sup>**
- 4650** 59-62 Tuxedo - pr.....**\$136<sup>99</sup>**

*Note: 465020 is Olive Black Tuxedo which matches original. For 100% Black use code B1.*

**Upgrade to an Embroidered Logo! 1956 - 1962 Only.**

Note: Order requires 2 item numbers - the item # and color code shown above plus the item # and logo code "LA".

Example: To order 1959 Red Daytona mats with embroidered logo, order both 464935 and 4649LA.

- # + LA** 56-62 Embroidered Logo on Daytona or Tuxedo Mats.....Add **\$36<sup>99</sup>**

**Use Your Code Whenever You Order**

Once you know your 2-digit Interior Color Code, ordering any Corvette America interior product is easy. All part numbers for interior items, where multiple colors are available, consist of a 4-digit part number followed by "\_" for Color Code.

**Find your Color Code on page 2.**

**RUBBER MAT SETS WITH LOGO**

Rubber Logo Mats feature molded no-slip ribs and logo, stay-put bottom and durable rubber construction, making them the best mats you can get for the price. Your mats will come with the correct year-specific logo.

- 53-62 Rubber Logo Mats - set.....**\$142<sup>99</sup>**

### 1953-1962 PARKING BRAKE HANDLE

### 1953-1962 PARKING BRAKE

**DUAL MASTER CYLINDER CONVERSION KIT**

Convert to a dual master cylinder configuration without altering your Corvette's firewall or hood for clearance. Mounting bracket attaches to stock location on firewall. Kit comes with new master cylinder, mounting bracket, adjustable pushrod and hardware.

**42544** 53-62 Single-to-Dual Master Cylinder Conversion Kit.... **\$305<sup>99</sup>**

**FRONT DISC BRAKE CONVERSION KIT**

This kit bolts on easily with stock spindles and features a special adapter that mounts a manual, dual master cylinder without modifying your firewall or hood. Kit includes: Caliper Brackets, New GM Calipers w/ Pads, Bearings, Seals & Dust Covers, Rotors, Brake Hoses, New Dual Master Cylinder, Pushrod & Proportioning Valve.

**NOTE:** Kit fits 1953-62 Corvette spindles but dual master cylinder will not fit 1953-55 with original engine or 1956-62 with stock fuel injection.

**DeWitts Direct-Fit ALUMINUM RADIATORS**

These Direct Fit Aluminum Radiators fit the factory hoses and original supports – no cutting, bending or installing different hoses. Each core features a double row of wide, high-quality tubes, louvered fins and press-formed end tanks. Cores are furnace brazed for the ultimate tube-to-header welds without epoxy. Best of all, they cost much less than other Aluminum Radiators. Three-year Manufacturer's Warranty. Standard Direct-Fit Radiators feature 1" tubes, while High Performance (HP) Direct-Fit Radiators feature 1.25" tubes.

**DeWitts REPRODUCTION RADIATORS**

**Stacked Aluminum Design. Original Look. Better Performance.**

Reproduced to exact specifications with the stacked aluminum design, these Aluminum Radiators maintain the look of original equipment but perform better – guaranteed to run at least 20 degrees cooler than any aftermarket copper/brass replacement. Backed by a 5-year manufacturer's warranty. Specify build date or VIN # when ordering.

## FENDER GRIPPERS

Protect your paint when you're under the hood. You'll be able to work in style knowing that your exterior is protected from those annoying scratches that might otherwise ruin your work of art. Made from a non-slip material. You can rest assured that your tools will not slip off the fender gripper. Remember, Fender Gripper is completely washable and impervious to motor oil, so clean up is a snap!

### HOLLEY CARBURETOR - 4150 ALUMINUM DOUBLE PUMPER 650 CFM ELECTRIC CHOKE

Features: Shiny Finish For Corrosion Resistance And Classic Holley Looks. Optimized Street/Strip Calibration That Works Out-Of-The-Box. Electric Choke For Precise Cold Start Control. Mechanical Secondaries For Awesome Tire Turning Performance. Dual Accelerator Pumps For Additional Fuel Under Initial Acceleration. Dual Feed Fuel Inlets For Constant High Volume Fuel Delivery. Intended For Lightweight Vehicles W/ Manual Trans Or Automatics With High Stall & Low Gearing 100% Wet-Flow Tested By Holley Technicians To Assure It Arrives Ready To Run! **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

### HOLLEY CARBURETOR - 4160 - 600 CFM

Performance upgrade for stock to mildly modified vehicles. Universal calibration for easy bolt-on performance. Manual choke (cable actuated - hand controlled) for precise cold start control. Vacuum secondaries for use on a wide variety of vehicles. Compensate for all vehicle weights, gearing and transmissions to allow smooth opening of secondaries. Single feed fuel inlet for easy installation. Integrated 700R4/200R4 transmission kick down cable mounting. Power valve blow-out protection. 100% wet-flow tested by Holley technicians to assure it arrives ready to run! **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**Holley**

### HOLLEY CARBURETOR - 4160C - 600 CFM

Performance upgrade for stock to mildly modified V-8 engines. Calibrated for excellent street performance right out of the box. Factory preset electric choke for easy startups. Vacuum secondaries for use on a wide variety of vehicles. Compensate for all vehicle weights, gearing and transmissions to allow smooth opening of secondaries. Single feed fuel inlet for easy installation. Integrated 700R4/200R4 transmission kick down cable mounting. 100% wet-flow tested by Holley technicians to assure it arrives ready to run! Includes new rear bowl fuel inlet to allow for dual feed or custom. Adjustable needle and seats to accommodate varying fuel pressures. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**HOLLEY CARBURETOR - 4160C 750 CFM - POLISHED**

Performance upgrade for stock to mildly modified vehicles.

Features universal calibration for easy bolt-on performance.

Factory preset electric choke for easy startups.

Vacuum secondaries for use on wide variety of vehicles. Compensate for all vehicle weights, gearing and transmissions to allow smooth opening of secondaries.

Dual feed fuel inlets for constant high volume fuel delivery.

Power valve blow-out protection. 100% wet-flow tested by Holley technicians to assure it arrives ready to run!

**Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**#UN0025**

**HOLLEY INTAKE MANIFOLD - BIG BLOCK CHEVY - 4500 EFI**

Features open plenum/single plane design. No EGR provisions. 3000-7500 RPM power band. 4500 carburetor mounting flange. Includes fuel rails and mounting brackets. Designed for today's larger cubic inch big block Chevy race engines. Perfect for hard core drag racers in the NHRA Super Comp, Super Gas and Street classes as well as IHRA Quick Rod, Super Rod and Hot Rod categories. Oval port dimensions: 1.87" high x 1.60" wide. Rectangle port dimensions: 2.28" high x 1.48" wide. Height: front 5.96", rear 5.96".

**Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**#UN0024**

**INTAKE MANIFOLD - BIG BLOCK CHEVY- 4150 EFI**

These intakes are ideal for converting your big block high performance or racing engine from carburetion to fuel injection. Computer designed and dyno proven to produce more horse power and torque than other EFI manifolds.

Includes anodized and laser etched fuel rails and two sets of mounting brackets (brackets allow use of 1.48" or 2.56" O-Ring to O-Ring injector lengths). Open plenum/single plane design. No EGR provisions. 3500-8000 RPM power band. 4150 carburetor mounting flange. Includes fuel rails and mounting brackets. Oval port dimensions: 1.87" high x 1.60" wide. Rectangle port dimensions: 2.28" high x 1.48" wide. Height: front 5.96", rear 5.96".

**Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**HOLLEY INTAKE MANIFOLD - SMALL BLOCK CHEVY - EFI INTAKE AND FUEL RAIL KIT**

Features single plane design with isolated plenum. 4150 square bore mounting flange. Power band: 2500-7500 Rpm. Height: Front 4.18", Rear 5.28". Port Size: 1.92" Height 1.20" Width. Lower throttle body mounting height to help with hood clearance. Holley laser etched logos on the black coated fuel rails and bracket assortment are included so that you can install the injectors of your choice. Fuel rail designed for maximum throttle lever clearance. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**UN0036** 53-62 Holley Intake Manifold - Small Block Chevy - EFI Intake and Fuel Rail Kit ..... **\$420<sup>99</sup>**

## HOLLEY INTAKE MANIFOLD - SMALL BLOCK CHEVY - CARB SINGLE PLANE KIT

The new single plane Intake Manifold is designed to provide a broad RPM powerband for high-performance street/strip engine applications to a maximum engine speed of 7500 Rpm. The carburetor-mounting pad is designed to accept all stock or aftermarket square-bore carburetors with manual or electric chokes. These intake manifolds are designed to accept most stock hardware and accessory brackets, but offer performance features like an updated plenum divider area, a 1" shorter height than the 300-25 manifold and a choice of two distributor clamp locations. The isolated design of the air/fuel passages helps to increase charge air density and performance. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**UN0035** 53-62 Holley Intake Manifold - Small Block Chevy - Single Plane Kit .....\$294<sup>99</sup>

## HOLLEY INTAKE MANIFOLD - SINGLE PLANE - BIG BLOCK CHEVY - OVAL

Carburetor intake manifold 396Ci-502Ci with Oval Port Heads. Single plane / open plenum design. Deep plenum design with isolated runners. 4150 square bore carburetor mounting flange. Power band: 4500-8500 Rpm. Height: front 4.75", rear 6.25". Port size: 1.85" height 1.60" width. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**UN0023** 53-62 Holley Intake Manifold - Single Plane - Big Block Chevy - Oval .....\$280<sup>99</sup>

## HOLLEY INTAKE MANIFOLD - SMALL BLOCK CHEVY - LATE DUAL PLANE - SQUARE BORE EGR

Street Dominator Intake Manifold with EGR 1987-Later with cast iron head. High rise dual plane design. Square carburetor mounting flange. EGR provisions. Power band: idle-6000 Rpm. Height: front 3.68", rear 5.02". Port size: 1.90" height 1.16" width. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**UN0031** 53-62 Holley Intake Manifold - Small Block Chevy - Late Dual Plane - Square Bore EGR .....\$244<sup>99</sup>

## HOLLEY INTAKE MANIFOLD - SMALL BLOCK CHEVY - EARLY SINGLE PLANE - SQUARE

Strip Dominator Intake Manifold 1957-86 262Ci-400Ci, 1987-Later with aluminum heads. Single plane with isolated plenum. Square bore carburetor mounting flange. Isolated water cross-over. Power band: 4500-7600 Rpm. Height: front 5.11", rear 5.97". Port size: 2.05" height 1.22" width. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**UN0030** 53-62 Holley Intake Manifold - Small Block Chevy - Early Single Plane - Square Bore .....\$270<sup>99</sup>

## HOLLEY INTAKE MANIFOLD - SMALL BLOCK CHEVY - EARLY SINGLE PLANE - SQUARE BORE - KEITH DORTON

This is a great manifold designed for competition engines built for circle track and drag racing using 23 degree standard port heads. Ideal for classes that require cast iron heads that require an unported intake manifold. Power band: 4500-8500 Rpm. Isolated water cross-over. Square bore carburetor mounting flange. Single plane with isolated plenum. Port size: 2.00" height, 1.20" width. Height: front 6.13", rear 6.13". **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

## 1956-1962 OIL FILTER

## EXHAUST

### EXHAUST PIPES & MUFFLERS

These Complete Exhaust Systems give you convenience and flexibility with everything you need (pipes, mufflers, flanges, sleeves, donuts and clamps as required), or just the pipes and mufflers you want. Manufactured of aluminized steel to OEM specifications with the correct fit, look and sound. Round mufflers were used on high-performance engines, ovals on low horsepower ones. Glass Pack mufflers are an economical alternative. All come with welded header pipes as original.

#### SYSTEM WITH GLASS PACK MUFFLERS

**35490** 61-62 Low hp 1x4 - 2" .....\$397<sup>99</sup>

#### SYSTEMS WITH ROUND MUFFLERS

**35483** 56-57 w/o Crossover .....\$397<sup>99</sup>  
**35484** 56-58 w/ Crossover .....\$463<sup>99</sup>  
**35485** 59-60 w/ Crossover .....\$437<sup>99</sup>  
**35486** 61-62 w/ Crossover - 2" .....\$457<sup>99</sup>  
**35487** 62 w/ Crossover - 2 1/2" - HP .....\$457<sup>99</sup>

#### SYSTEMS WITH OVAL MUFFLERS

**41177** 53-55 Exhaust System - 6 Cyl - No flanges included .....\$454<sup>99</sup>  
**41178** 55 Exhaust System - V8 .....\$428<sup>99</sup>  
**35491** 56-58 Low hp 1x4 .....\$397<sup>99</sup>  
**35492** 56-58 High hp w/ Crossover .....\$437<sup>99</sup>  
**35493** 59-60 Low hp 1x4 .....\$398<sup>99</sup>  
**35494** 59-60 High hp w/ Crossover .....\$436<sup>99</sup>  
**35495** 61-62 Low hp 1x4 - 2" .....\$398<sup>99</sup>  
**35496** 61-62 High hp w/ Crossover - 2" .....\$457<sup>99</sup>  
**35497** 62 High hp - 2 1/2" w/ Crossover .....\$457<sup>99</sup>

#### EXHAUST PIPES - ALUMINIZED STEEL

**22402** 59-60 Exhaust Pipes - 1x4 w/o Crossover - 2" .....\$239<sup>99</sup>  
**22403** 59-60 Exhaust Pipes - HP, SHP - 2x4 - FI w/ Crossover - 2" .....\$281<sup>99</sup>  
**22404** 61-62 Exhaust Pipes - 1x4 w/o Crossover - 2" .....\$259<sup>99</sup>  
**22405** 61 Exhaust Pipes - HP, SHP - 2x4 - FI w/ Crossover - 2" .....\$284<sup>99</sup>  
**22406** 62 Exhaust Pipes - HP, SHP w/ Crossover - 2 1/2" ..\$289<sup>99</sup>

#### EXHAUST BEZELS

**41187** 53-55 Exhaust Bezels .....\$182<sup>99</sup>

#### SPLASH SHIELDS

**35477** 58-62 Inner Fender Reinforcement Screws - 48 pc .....\$17<sup>99</sup>  
**41176** 56-57 Lower Inner Fender - Cowl Reinforcements - pr .....\$54<sup>99</sup>  
**35476** 58-62 Lower Inner Fender to Cowl Reinf. - Metal - pr .....\$59<sup>99</sup>  
**41174** 53-55 Splash Shields w/ Hardware Set .....\$131<sup>99</sup>  
**41191** 55 Splash Shields 6 Cylinder .....\$125<sup>99</sup>  
**41193** 55 Splash Shields V8 .....\$121<sup>99</sup>  
**37391** 56 Splash Shields - Front - pr .....\$76<sup>99</sup>  
**37392** 57 Splash Shields - Front - 4 pc set .....\$109<sup>99</sup>

**HOOKER® COMPETITION HEADERS**

Hooker® competition headers offer the best value in the high performance header market. Designed for the value-conscious buyer who is running either a stock or mildly-modified engine, hooker competition headers offer premium features at a very competitive price. Made of durable 16 gauge mild steel tubing, the hooker competition header design utilizes a long transition collector to reduce back pressure and increase exhaust flow. A perfect sealing surface is assured with the 5/16" machined flanges, with welded o-ring seals. Experience has proven that this flange size is ideal to maintain header integrity and be pliable enough to seal each exhaust port. Tubing is mandrel-bent to maintain metal strength and provide consistent tube diameter at radii to maximize performance.

- 57372** 55-62 Competition Long Tube Headers - Painted Black Finish - SBC - All Necessary Hardware Included ..... **\$250<sup>99</sup>**
- 57373** 55-62 Competition Long Tube Headers - Ceramic Coated Silver - SBC - All Necessary Hardware Included ..... **\$526<sup>99</sup>**
- 57380** 55-62 Competition Long Tube Header - Titanium Ceramic Coated - SBC - All Necessary Hardware Included ..... **\$532<sup>99</sup>**

**#57380** Titanium Ceramic Coated - All Necessary Hardware Included.

**#57373** Ceramic Coated Silver - All Necessary Hardware Included.

**#57382** Black Ceramic - All Necessary Hardware Included.

**HOOKER® HEADER GASKET SETS**

Precision-matched super competition OEM quality header gaskets provide a sure fit and unmatched exhaust sealing. Constructed of a thick (.060") synthetic hi-temperature gasket material with a perforated steel core, which provides superior grip and adhesion. This construction also contributes to exact fit compliance between the cylinder head and header flange, offering excellent sealing properties during extreme temperature and operating conditions.

- 57371** 55-62 Header Gasket Set Hi-Temperature Material, Square Ports ..... **\$14<sup>99</sup>**
- 57374** 55-62 Header Gasket Set Hi-Temperature Material, Round Ports ..... **\$14<sup>99</sup>**

## 1956-1962 GAS TANK

## GAS TANKS

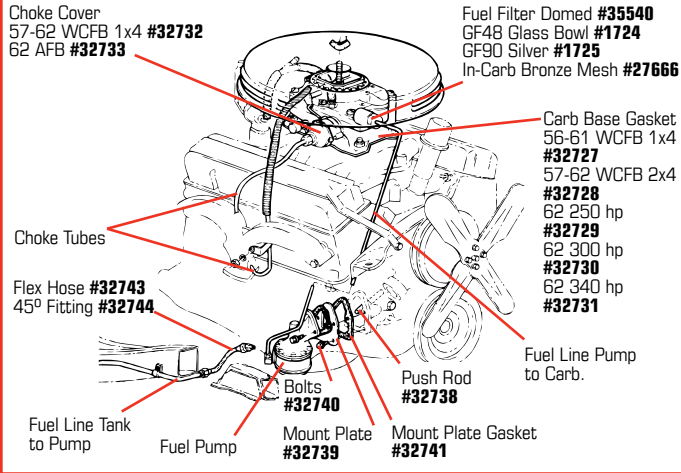

These Reproduction Gas Tanks are manufactured with corrosion-resistant steel and have the same shape, indents, welds and connections as the original tanks. For true reproduction accuracy, tanks are stamped with the O. L. Anderson Logo, manufacturer of the original Corvette tanks! #42951 and #43311 include Vent. #42952 and #43312 include Vent and Baffles.

<b>42950</b>	56-57	Gas Tank - 57E - w/ O.L. Anderson Logo.....	<b>\$279<sup>99</sup></b>

**HARDTOP & ROOF PANEL CART**

This easy-to-use cart is the perfect way to store your Corvette's hardtop or roof panel when it's not in use. Sturdy aluminum construction and padded contact points offer stable and safe support, and the best part is you can roll it around the garage on four swivel casters. Some assembly required. Instructions included.

**51000** Hardtop & Roof Panel Storage Cart ..... **\$164<sup>99</sup>**

**PREMIUM FLANNEL HARDTOP COVERS**

This flannel hardtop cover protects the inside & outside of your hardtop like a security blanket during storage. Cover simply drapes over hardtop to provide protection and easy use.

## 1958-1962 HEADLIGHT

## ORACLE LED HEADLIGHTS WITH SEALED BEAM HOUSING

ORACLE Lighting sealed beam headlights are a great way to add modern styling to your classic Corvette! SMD halos are pre-installed into the glass headlight housings and ready to install, just connect your wires to a 12V power source and add the H4 headlight bulb of your choice!

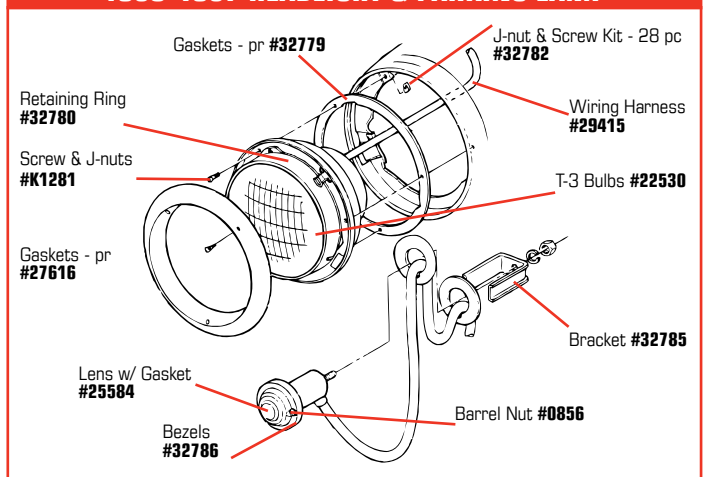

<b>58952</b>	58-62	5.75" w/LED Halo - White - H5001 / H5006	\$80 <sup>99</sup>
<b>58953</b>	58-62	5.75" w/LED Halo - Blue - H5001 / H5006	\$91 <sup>99</sup>
<b>58954</b>	58-62	5.75" w/LED Halo - Red - H5001 / H5006	\$91 <sup>99</sup>
<b>58955</b>	58-62	5.75" w/LED Halo - Green - H5001 / H5006	\$91 <sup>99</sup>
<b>58956</b>	58-62	5.75" w/LED Halo - Amber - H5001 / H5006	\$91 <sup>99</sup>
<b>58957</b>	58-62	5.75" w/LED Halo - UV/Purple - H5001 / H5006	\$96 <sup>99</sup>
<b>58958</b>	58-62	5.75" w/LED Halo - ColorSHIFT - H5001/H5006	\$131 <sup>99</sup>

**46362** 58-62 Stereo - Custom Fit - 200W ..... **\$305<sup>99</sup>**

## AM/FM 200 WATT STEREOS

This new stereo has the same cosmetics as the 300 Watt stereos above, but without USB/MP3 or CD changer control. An awesome looking radio at a great price. Radio has no cassette but comes with auxiliary audio input. If you have a portable MP3 player or Satellite radio just plug it into the Aux input and listen to it through this radio.

**52055** 53-57 Stereo - AM/FM 200 Watt ..... **\$203<sup>99</sup>**  
**52056** 58-62 Stereo - AM/FM 200 Watt ..... **\$203<sup>99</sup>**

**SECRETAUDIO - SS**

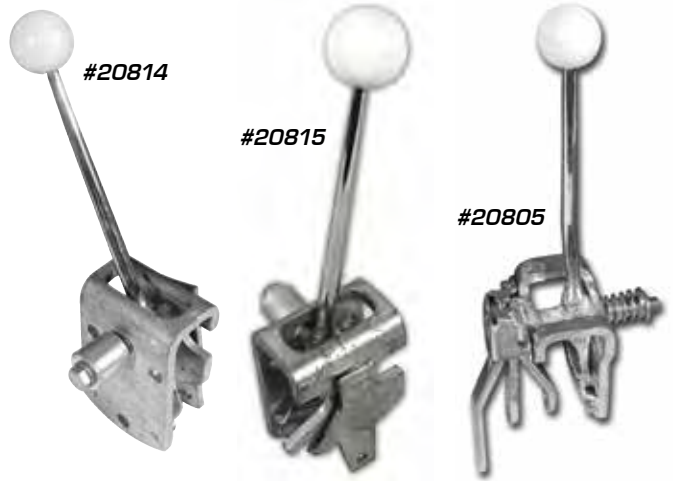

The SST is a 200 Watt AM/FM CD controller with USB MP3/WMA Flash Drive, iPod control, CD control and Satellite Radio Control; Featuring "RF" (radio frequency) remote control, ideal for Street Rods and Classics. The SST hideaway radio is designed to provide a classic car with exceptional audio quality while leaving the dash and original radio visible in the dash. The SST receiver / amplifier unit is usually hidden underneath the driver's seat or behind the dashboard and integrates with the vehicle's speaker system; if the speakers are for a mono radio they should be replaced with Custom Autosound DVC speakers or DUAL speakers. The SST has built in Bluetooth which allows you to stream music from your compatible device. The SST comes with a 10 foot cable connected to a small Bluetooth digital display that mounts flush to the dash or with a bracket, which is included for mounting options. It is controlled by a wireless remote from up to 30 feet away.

## STEERING WHEELS

Our Steering Wheels are precise replicas of competition-type wheels with a plastic, leather-grain rim. As noted in the NCRS Judging Manual, they show flashing on the mold seam around outer circumference and the stainless steel spokes have circumferential finishing marks on top side and radial direction spokes marks on bottom.

- 20026** 61 Blue                      **20029** 59-60 Turquoise
- 20027** 61-62 Fawn

1959-1962 Steering Wheel ..... **\$438<sup>99</sup>**

## 1959-62 REPRO. STEERING WHEELS w/HUB KIT

- 20336** 61 Blue                      **20339** 59-60 Turquoise
- 20337** 61-62 Fawn

1959-1962 Reproduction Steering Wheel w/ Hub Kit ..... **\$519<sup>99</sup>**

## 3-SPOKE 15" STEERING WHEELS

If your goal is to update a C1 Corvette interior without destroying its character and personality, then you'll want to take a close look at these direct replacement steering wheels. These smaller diameter wheels fit the OEM column and feature a thicker more comfortable grip. Solid stainless steel frame. Uses factory hub and horn button.

**REPRODUCTION TIRES**

Our precision reproductions of Goodrich, Firestone and U.S. Royal tires give your 1955-1962 Corvette a 100% correct look! All are the correct size, 6.70 x 15, and are available in Blackwall or Whitewall like the originals. Whitewalls are of the correct width, ranging from 1" to 2 11/16".

<b>35770</b>	56-62	6.70 x 15 Firestone - Blackwall .....	<b>\$219<sup>99</sup></b>

**WHITEWALL RADIALS**

Get vintage looks with radial drivability. These are vintage-looking tires with 2 3/8" wide whitewalls that are actually smooth-riding, gas-saving radials! These are the real thing, not a retread nor painted imitation, with polyester and steel belts for safe, aggressive all-season driving and most importantly, 100% Corvette style.

<b>35773</b>	56-61	P205/75R15 Radial Tire - 2 3/8" Whitewall .....	<b>\$239<sup>99</sup></b>

## BULLET CONSOLES

The C2 Bullet Console fits over the factory armrest of 1963-1966 Corvettes to provide some much-needed storage space, king-sized cup holders and a comfortable armrest. The padded armrest hinges open to a storage compartment that measures 4.5" wide x 14" long x 3" deep. Bullet Console is custom hand-crafted in America and is upholstered with high-quality, automotive-grade vinyl. Installation is quick & easy, just slip over the factory armrest and start cruising!

# 1963-1967 Dash Pads *The Finest Dash Pads Available!*

1963-64 Dark Blue  
LH Dash Pad

1965-66 Saddle RH Dash Pad

## DASH PADS

Corvette America's 1963-67 Dash Pads have always been known for the highest quality and strictest attention to originality. Their expert Research & Development Staff has created a new manufacturing process that ensures thickness consistent to the original GM pads for every Dash Pad we manufacture.

Look no further than Corvette America for 1963-67 Dash Pads that are 100% original and 100% consistent 100% of the time.

**Note:** All RH Dash Pads include Dash Inserts. Owners of 1964 Corvettes should check their original pad to see whether a 4-Hole or 6-Hole Insert is used, due to mid-year production changes.

**Find your Color Code on page 82.**

63-64 Seville Grain

65-67 Madrid Grain

## DASH PAD SKINS

A perfect solution if your original dash is faded, worn or slightly damaged, but you don't want to replace your entire pad, recover it! You get authentic restoration & beauty, plus the benefit of keeping your original component. Skins come with easy-to-follow, step-by-step instructions. For fast and easy installation use Corvette America's Spray Adhesive.

**Installation Service Available!**

# 1963-1964 Carpet

## LOOP CARPET WITH ORIGINAL FOAM BACK

Loop Carpet with original foam padding. Install as is for an accurate restoration of your 1963-1964 Corvette. For superior noise & heat reduction, also use a Carpet Insulation Kit or Heat Barrier Kit.

**Find your Color Code on page 82.**

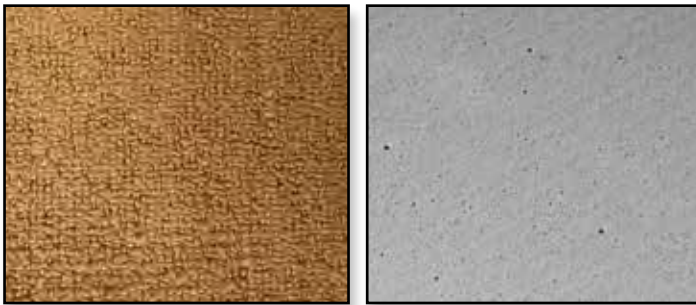

- 4506**\_ 63 Loop Carpet w/ Foam Back Padding - Coupe ..... **\$449<sup>99</sup>**
- 4505**\_ 63 Loop Carpet w/ Foam Back Padding - Conv..... **\$449<sup>99</sup>**
- 4508**\_ 64 Loop Carpet w/ Foam Back Padding - Coupe ..... **\$449<sup>99</sup>**
- 4507**\_ 64 Loop Carpet w/ Foam Back Padding - Conv. .... **\$449<sup>99</sup>**

## LOOP CARPET - WITHOUT PADDING

Loop carpet just like our Foam Back sets above, only without padding. Once installed, it looks exactly the same as the original carpet set. But you save more money! For superior noise and heat reduction, also use a Carpet Insulation Kit or Heat Barrier Kit.

- 4510**\_ 63 Loop Carpet w/o Padding - Coupe..... **\$387<sup>99</sup>**
- 4509**\_ 63 Loop Carpet w/o Padding - Convertible ..... **\$387<sup>99</sup>**
- 4512**\_ 64 Loop Carpet w/o Padding - Coupe..... **\$387<sup>99</sup>**
- 4511**\_ 64 Loop Carpet w/o Padding - Convertible ..... **\$387<sup>99</sup>**
- 35611** 63-67 Carpet Dimmer Switch Grommet - Rubber ..... **\$9<sup>99</sup>**

**Note:** All Carpet Sets for 1964 Corvette Coupes include the Power Vent Carpet Sections as original.

### Incomparable DETAILS & QUALITY!

*Correct Foam Backing*

*Accurate Dark Gray color (vs. white)  
and high density for 1963-1964.*

**The ONLY 1963-64 Carpet for the True Restorer!**

## 1963 CARPET WITH TOOLBOX CUTOUTS

- 4608**\_ 63 Convertible Foam Back w/ Toolbox cutouts..... **\$449<sup>99</sup>**

- 4611**\_ 63 Coupe w/ Toolbox cutouts..... **\$387<sup>99</sup>**

## HEAT BARRIER KITS

If you're concerned with heat reduction, this is for you. Made of technologically advanced ceramic cloth backed by reinforced foil. Heat Barrier Kits reduce interior temperatures by up to 50%! Thermal rated to 2300°. And it's only 1/8" thick, so your carpet will fit perfectly. Choose front-only or a full set.

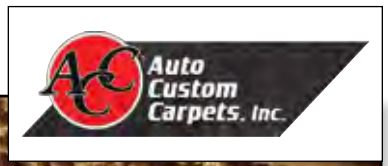

- 24330** 63-67 Coupe or Convertible - Front-Only ..... **\$132<sup>99</sup>**
- 24440** 63-67 Coupe or Convertible - Full Set..... **\$183<sup>99</sup>**

**Combine with Underlayment  
and Beat the Heat!**

# 1965-1967 Carpet

## LOOP CARPET

Loop Carpet, correctly press-molded. The original 1965-67 Carpet underlayment was a "rubber backed" jute material. Removal of your original carpet may result in damage to the jute portion of your original underlayment. If your rubber backing is damaged, the Original Style underlayment will provide an accurate installation of your 1965-67 Corvette carpet. For economy, you may select a Carpet Insulation Kit (versus Original Style Underlayment) to use for your carpet underlayment. For superior noise and heat reduction, a Heat Barrier Kit can be used in addition to any underlayment selection you make.

## CARPET SETS

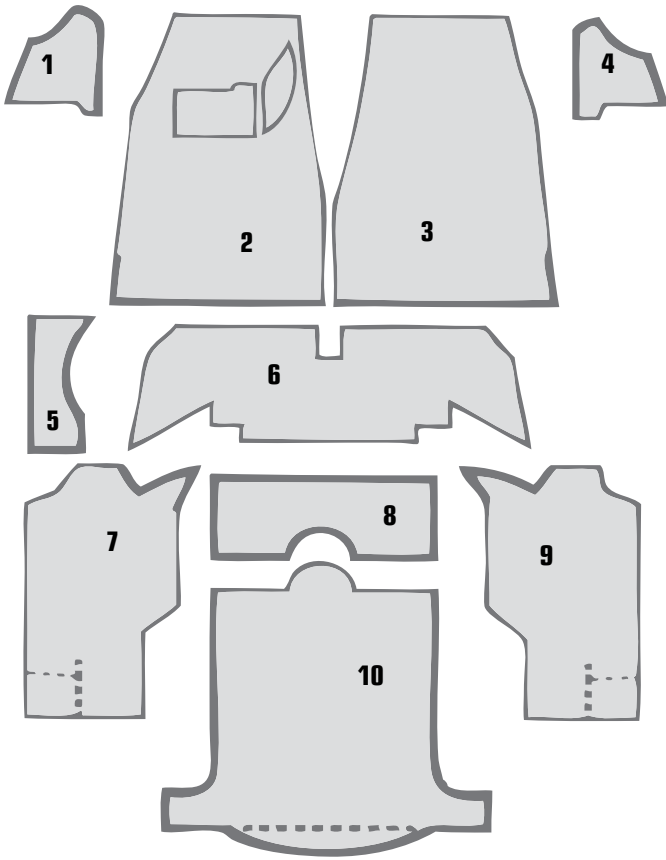

Power vent carpet sections included in all 1965 coupe sets. Padding not included. [Find your Color Code on page 82.](#)

## FLOOR DRAIN PLUGS

<b>K1194</b>	63-67 Floor Drain Plugs - 8 pc.....	<b>\$5<sup>99</sup></b>
--------------	-------------------------------------	-------------------------

**Incomparable DETAILS & QUALITY! The ONLY 1965-67 Carpet for the True Restorer!**

*Jute Padding with rubber backing - just like original!*

## ORIGINAL STYLE UNDERLAYMENT

The only choice for the true restoration! Exactly like original, jute padding backed with rubber. Nine-piece set covers both front and rear sections of car. All pieces individually die-cut. Combine with a Heat Barrier Kit to maximize heat and noise reduction.

<b>1880</b>	65-67 Coupe - Full Set.....	<b>\$359<sup>99</sup></b>
<b>1881</b>	65-67 Convertible - Full Set.....	<b>\$359<sup>99</sup></b>

## CARPET INSULATION KITS

Features jute padding backed with heat-reflective felting for a more durable underlayment that provides increased heat and noise reduction – all at an economical price. Full car set for coupe or convertible. Front-only set also available. For optimum heat and noise reduction, combine with Heat Barrier Kit.

## CONVERTIBLE REAR WINDOW PILLOW

These soft, foam-filled Rear Window Pillow prevents damage to your convertible's rear window when it's stowed. When your top is folded away, the window wraps smoothly around the Rear Window Pillow to eliminate unsightly folds, creases and scratches.

- K2581** 63-67 Convertible Rear Window Pillow..... **\$13<sup>99</sup>**

## RAGGTOPP CONVERTIBLE CLEANER & PROTECTANTS

RaggTopp Cleaner is an environmentally safe and biodegradable cleaner that uses an antioxidant formula to safely remove soil and stains. Will not harm paint or glass. Comes in a 16 oz pump spray with a fluorocarbon water-repelling system that uses a micro-bonding fluoropolymer formula. For use on fabric or vinyl tops. RaggTopp Protectants provide ultraviolet protection with UV stabilizers to protect from all elements. Will not harm paint, glass, chrome or plastic windows.

**Interior Dyes:** Corvette America Interior Dye produces accurate color and solid coverage on leather, vinyl, fiberglass, plastic and metal. Available in a 12-oz. Aerosol spray or Quart. Use your interior Color Code to complete the part number.

**Dye Surface Prep:** Use Surface Prep to remove dirt, oils and residue before priming. Fast drying and ready to paint in minutes.

**Adhesive Promoter:** Promotes strong, even adhesion of topcoat material when repairing or refinishing plastics. Also works on most flexible or rigid plastics on painted surfaces.

**Primer:** For best results, finish off your prep work with our quality primer. Promotes even paint coverage and a better finish.

**Spray Adhesive:** High-tack Interior Spray Adhesive is easy to work with and produces a strong bond between hard parts and materials.

**Clear Coat:** Protect your reconditioning work for years to come with Interior Clear Coat. Covers your interior components with a smooth, protective finish and preserves your interior's color.

**BELTS**

Reproduction - wrapped style

Replacement — cut style

**REPRODUCTION BELTS** — 1963-1967 Original GM Belts were **Wrapped design**. Include: GM Emblem, GM Part Number, Broadcast Code (where applicable), Belt Size (where applicable), Manufacturer's Symbol and Construction Codes.

**Note:** Cut Style belts have visible cords showing. Wrapped Style belts have a cloth-like material wrapping the belts.

**REPLACEMENT BELTS** — 1963-1967 Replacement Belts can be either Cut Style or Wrapped Style belts & will not include GM part number or any markings that were on the original belts. Replacement Belts are strictly a functional replacement.

**REPRODUCTION BELTS - A.I.R. PUMP**

**DUAL MASTER CYLINDER CONVERSION KIT**

Everything you need to convert 1963-64 Corvettes from a single reservoir drum brake system to a safer dual master cylinder system.

**Includes:** New Master Cylinder, 2 Check Valves, Front Master Cylinder Brake Line, Front to Rear Brake Lines w/Union, Brass Brake Line Junction Blocks and Line Clips.

<b>42563</b>	63-64	Dual Master Cylinder Conversion Kit	<b>\$329<sup>99</sup></b>
--------------	-------	-------------------------------------	---------------------------

**DUAL MASTER CYLINDER CONVERSION KIT**

Easy Installation "Body On" Dual Master Cylinder Conversion Kit for 1965-66 Corvettes with Disc Brakes. Top quality complete kit includes "everything" needed to convert from a single reservoir brake system to a safer dual master cylinder system. The front to rear brake line is made in 2 pieces for a much easier body on installation. **Includes:** New Master Cylinder, Master Cylinder Front Brake Line, Front to Rear Brake Line with Union, Brass Brake Line Junction Blocks, Front to Rear Brake Line Clips & Master Cylinder Line Clips.

<b>42564</b>	65-66	Dual Master Cylinder Conversion Kit	<b>\$295<sup>99</sup></b>

#43030 1965-67  
Classic Restoration Caliper

#43000 1965-67  
Modern Restoration Caliper

## CLASSIC RESTORATION CALIPERS

### Rebuilt Delco Moraine Castings w/ Traditional Lip Seals.

For those who want 100% original, these Restoration Calipers feature: New Stainless Steel Sleeves; New Pistons, Lip Seals, Springs, Dust Covers, Stainless Steel Bleeder Screws and Plugs; Long Lasting Epoxy Paint; and they're Individually Pressure Tested.

Covered by a **LIMITED LIFETIME WARRANTY\***. Core Charges Apply+.

<b>43030</b>	65-67 Classic Resto. Caliper - Left Front .....	<b>\$105<sup>99</sup></b>
<b>43031</b>	65-67 Classic Resto. Caliper - Right Front.....	<b>\$105<sup>99</sup></b>
<b>43032</b>	65-67 Classic Resto. Caliper - Left Rear .....	<b>\$105<sup>99</sup></b>
<b>43033</b>	65-67 Classic Resto. Caliper - Right Rear.....	<b>\$105<sup>99</sup></b>
<b>43034</b>	65-67 Classic Resto. Caliper <b>SPECIAL 1</b> - see Kits.....	<b>\$479<sup>99</sup></b>
<b>43035</b>	65-67 Classic Resto. Caliper <b>SPECIAL 2</b> - see Kits.....	<b>\$574<sup>99</sup></b>

## MODERN RESTORATION CALIPERS

### Rebuilt Delco Moraine Castings with O-Ring Technology

Get improved performance that looks just like original when installed. Special O-Rings are used in place of the original lip seals to eliminate leaking and resist piston cavitation during hard driving conditions. Modern Restoration Calipers feature: New Stainless Steel Sleeves, New O-Ring Pistons, Seals, Springs, Dust Covers, Stainless Steel Bleeder Screws and Plugs, Long Lasting Epoxy Paint; and they're Individually Pressure Tested.

Covered by a **LIMITED LIFETIME WARRANTY\***. Core Charges Apply+.

## WE OFFER MORE CHOICES IN 1965-67 BRAKE CALIPERS & CALIPER KITS!

**\*LIMITED LIFETIME WARRANTY** — Caliper Sleeves are warrantied to the original purchaser for as long as they own the vehicle, so long as the brake system is properly maintained (correctly replacing brake fluid upon initial installation and each subsequent brake fluid change, which should be done once every two years). New rubber hoses should be installed during the initial installation of the calipers and be replaced every 5 years, as internal hose deterioration can contaminate the brake fluid. All other parts & workmanship of these calipers are warrantied for 90 days from the date of purchase under normal use.

**+Core Charge** — **\$50 per caliper**. Returned calipers must be **Original Delco Moraine Castings** without broken ears or altered bleeders. If calipers have been previously sleeved, the core refund will be reduced to \$25 provided it meets the above criteria.

#52354SS 1968-82 Calipers with O-Ring - **SPECIAL 1**

### Manual

#42046

### Power Brake

#42047

### 1963-1964 DISC BRAKE CONVERSION KITS

Upgrade to disc brakes without modifying the firewall or hood. These Conversion Kits make it simple due to an adapter that mounts a manual, dual master cylinder. The Power Brake Kit uses a new booster with a reproduction bracket and Corvette master cylinder. It moves the wheels out 1 1/4" on each side.

**Kit includes:** caliper brackets, new GM calipers w/ pads, bearings, seals, dust covers, rotors, brake hoses, new dual master cylinder, pushrod, proportioning valve, booster (Power Kit only) and hardware.

#40833 - Drum

#40834 - Disc

**SPEED BLEEDERS**

Speed Bleeders make bleeding your brakes a one-person job. These zinc-coated, stainless steel Bleeders replace your originals and use a check ball and patented thread sealing system to prevent air from being pulled back into your brake lines. Includes dust caps.

### WILWOOD CLASSIC SERIES FRONT BRAKE KIT

**For use with Stock Spindles and Wheels.**

The Classic Series Front Brake Kit delivers the braking performance of Wilwood's Forged Dynalite Calipers while maintaining the most wheel clearance of any 4-piston caliper in its class. The forged aluminum calipers are paired with 11" diameter OEM style 1-piece cast iron rotors - a perfect combination for your stock wheels. Kit includes: calipers, pads, rotors, brackets, hardware & instructions. Requires NO modifications.

**22377** 63-67 Front Brake Kit - Wilwood Stock Wheel..... **\$829<sup>99</sup>**

#22376

### WILWOOD DYNAPRO 6 BIG FRONT BRAKE KIT

Give your classic Corvette big-brake performance courtesy of Wilwood's DynaPro 6 forged billet 6-piston calipers and 12" SRP drilled & slotted rotors.

Kit includes: calipers, pads, rotors, hubs, hardware & instructions. More brake kits are available for use with larger diameter wheels.

### CLASSIC SERIES REPLACEMENT CALIPER KITS

**For Use with Stock Wheels** — Wilwood's 4-piston calipers mount to the stock brackets on stock rotors to provide a low-maintenance performance upgrade for 1965-1982 Corvettes. These direct OE replacements feature billet aluminum bodies, stainless steel pistons and high-temperature seals. They're lighter than stock, provide consistent braking performance, and put an end to rust and bore pitting that plague the original calipers.

Calipers use original-style D8 brake pads and fit snugly inside most '67 or newer wheels. Some wheels, including the '65-'67 OE "JK" code steel wheels require a 3/16" wheel spacer for clearance. The kit includes DOT Stainless Steel Brake Lines, Calipers and BP-10 Compound Pads.

**22378** 65-67 Front Caliper Kit - 4 Piston - Stock Wheel ..... **\$729<sup>99</sup>**

**22379** 65-67 Rear Caliper Kit - 4 Piston - Stock Wheel ..... **\$729<sup>99</sup>**

### WILWOOD BRAKE KITS - FOR STOCK WHEELS

**Calipers & Rotors included.**

## DEWITTS DIRECT FIT ALUMINUM RADIATORS

- No Modifications • Fit to Stock Hoses • Greater Cooling Capacity

Direct Fit Aluminum Radiators fit up to the factory hoses & original supports with no modifications. No cutting, bending or installing different hoses. Standard Direct Fit have 1" tubes. The HP have 1.25" tubes. **These cost much less than other Aluminum Radiators and they're backed by a three-year Manufacturer's Warranty.**

## DEWITTS DIRECT FIT LSX ALUMINUM RADIATORS

LSX MODIFIED aluminum radiators with cross-flow core are designed to install into the stock core support and use factory connections without any major modifications or adapters. Kit includes SPAL fan module(s) with brackets, wiring, and sending unit perfectly matched to the radiator core. Inlet and outlet are moved to the passenger side to match the LSX coolant system design. Will eliminate the pressurized surge tank (where used as OE).

**SPEEDOMETER / TACH CABLE ADAPTER**

Eliminates the 90° bend and the wear that it causes in your speedometer & tachometer cables. Installs with common hand tools in about 5 minutes. Grease fitting allows proper cable lubrication.

## ACCEL IGNITION COMPONENTS

Accel Ignition Coils, Distributor Components, Spark Plugs & Spark Plug Wires are designed to make your Corvette's ignition perform reliably & efficiently. Accel's innovations in ignition wire & distributor technology have earned the trust of auto & performance enthusiasts everywhere. Accel delivers a better spark & more MPG's.

51111	63-67 Distributor Cap & Rotor - Accel	\$31 <sup>99</sup>
51107	63-67 Ignition Point - Exc. Dual Point - Accel	\$33 <sup>99</sup>

1963-67 Engine Tune-Up Kit

## POWER+PLUS INTAKE MANIFOLDS

### Add Power and Prolong Engine Life!

The dual-plane, 180° design delivers more power right off idle in all motors and increases power at high RPM for high-performance motors. Power+Plus Manifolds have a square bore carb adaptor plate and gasket for use with Holley or Edelbrock square bore carbs. High-polish or satin finish. Small Block Manifolds include dual distributor hold downs & four corner water outlets.

**#37185** 1965-67  
2.5" 396/427 - 4 Speed

### HOOKER® CLASSIC BACK EXHAUST SYSTEM

Constructed of 2-1/4" 16-gauge aluminized steel tubing for maximum flow and increased performance. This system uses the original equipment tailpipe exit location. Works with any 2-1/4" offset/inlet/center outlet muffler.

**57412** 63-67 Back Exhaust System (No Mufflers) .....**\$228<sup>99</sup>**

**Call or go online today to see our complete line of products and place your order!**

### COMPLETE EXHAUST SYSTEMS

Made to fit exactly like the originals, these exhaust systems are made of long-lasting aluminized steel (65% Stainless Steel, 25% Aluminum and 10% Carbon). Systems include the header pipe flanges, sleeves, donut gaskets, clamps and mufflers. For originality, we offer systems with welded secondary pipe and muffler for regular or off-road mufflers. For convenience and ease of installation, we also offer systems with a separate secondary pipe and muffler. Pipe sets and mufflers also available separately. Hangers sold separately - see listings. Additional shipping charges apply.

## HOOKER® SUPER COMPETITION HEADER GASKET SETS

Precision-matched Super Competition OEM quality header gaskets provide a sure fit and unmatched exhaust sealing. Constructed of a thick (.060") synthetic hi-temperature gasket material with a perforated steel core, which provides superior grip and adhesion. This construction also contributes to exact fit compliance between the cylinder head and header flange, offering excellent sealing properties during extreme temperature and operating conditions.

## HOOKER® COMPETITION HEADERS

Hooker® Competition Headers offer the best value in the high performance header market. Designed for the value-conscious buyer who is running either a stock or mildly-modified engine, hooker competition headers offer premium features at a very competitive price. Made of durable 16 gauge mild steel tubing, the Hooker competition header design utilizes a long transition collector to reduce back pressure and increase exhaust flow. A perfect sealing surface is assured with the 5/16" machined flanges, with welded o-ring seals. Experience has proven that this flange size is ideal to maintain header integrity and be pliable enough to seal each exhaust port. Tubing is mandrel-bent to maintain metal strength and provide consistent tube diameter at radii to maximize performance.

**HOOKER® SUPER COMPETITION LONG TUBE HEADERS**

With Hooker® Super Competition Long Tube Headers, the objective has always been to make the maximum horsepower and to put it at the optimum point in the power curve. It takes a lot of time and money to do the job right. Hooker® sometimes spends up to 2 to 3 times more just to make the super competition header work only 5 to 10% better. That commitment to excellence has made Hooker® Headers the winningest header manufacturer in automotive drag racing history.

### HOLLEY CARBURETOR - 4150 750 DOUBLE PUMPER - CHROMATE ELECTRIC CHOKE

Classic zinc finish for corrosion resistance and classic Holley looks. Optimized street / strip calibration that works out-of-the-box. Electric Choke for precise cold start control. Mechanical secondaries for awesome tire turning performance. Dual Accelerator Pumps for additional Fuel Under Initial Acceleration. Dual Feed Fuel Inlets For Constant High Volume Fuel Delivery. Intended For Lightweight Vehicles W/ Manual Trans Or Automatics With High Stall & Low Gearing. 100% Wet-Flow Tested By Holley Technicians To Assure It Arrives Ready To Run! 4 Corner Idle Allows You To Precisely Control Your Idle System. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

### HOLLEY CARBURETOR - 4160 - 600 CFM

Performance upgrade for stock to mildly modified vehicles. Universal calibration for easy bolt-on performance. Manual choke (cable actuated - hand controlled) for precise cold start control. Vacuum secondaries for use on a wide variety of vehicles. Compensate for all vehicle weights, gearing and transmissions to allow smooth opening of secondaries. Single feed fuel inlet for easy installation. Integrated 700R4/200R4 transmission kick down cable mounting. Power valve blow-out protection. 100% wet-flow tested by Holley technicians to assure it arrives ready to run! **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

### HOLLEY CARBURETOR - 4160C - 600 CFM

Performance upgrade for stock to mildly modified V-8 engines. Calibrated for excellent street performance right out of the box. Factory preset electric choke for easy startups. Vacuum secondaries for use on a wide variety of vehicles. Compensate for all vehicle weights, gearing and transmissions to allow smooth opening of secondaries. Single feed fuel inlet for easy installation. Integrated 700R4/200R4 transmission kick down cable mounting. 100% wet-flow tested by Holley technicians to assure it arrives ready to run! Includes new rear bowl fuel inlet to allow for dual feed or custom. Adjustable needle and seats to accommodate varying fuel pressures. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**HOLLEY INTAKE MANIFOLD - BIG BLOCK CHEVY - 4500 EFI**

Features open plenum/single plane design. No EGR provisions. 3000-7500 RPM power band. 4500 carburetor mounting flange. Includes fuel rails and mounting brackets. Designed for today's larger cubic inch big block Chevy race engines. Perfect for hard core drag racers in the NHRA Super Comp, Super Gas and Street classes as well as IHRA Quick Rod, Super Rod and Hot Rod categories. Oval port dimensions: 1.87" high x 1.60" wide. Rectangle port dimensions: 2.28" high x 1.48" wide. Height: front 5.96", rear 5.96".

**Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

#UN0024

**INTAKE MANIFOLD - BIG BLOCK CHEVY- 4150 EFI**

These intakes are ideal for converting your big block high performance or racing engine from carburetion to fuel injection. Computer designed and dyno proven to produce more horse power and torque than other EFI manifolds.

Includes anodized and laser etched fuel rails and two sets of mounting brackets (brackets allow use of 1.48" or 2.56" O-Ring to O-Ring injector lengths). Open plenum/single plane design. No EGR provisions. 3500-8000 RPM power band. 4150 carburetor mounting flange. Includes fuel rails and mounting brackets. Oval port dimensions: 1.87" high x 1.60" wide. Rectangle port dimensions: 2.28" high x 1.48" wide. Height: front 5.96", rear 5.96".

**Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**HOLLEY INTAKE MANIFOLD - SMALL BLOCK CHEVY - EFI INTAKE AND FUEL RAIL KIT**

Features single plane design with isolated plenum. 4150 square bore mounting flange. Power band: 2500-7500 Rpm. Height: Front 4.18", Rear 5.28". Port Size: 1.92" Height 1.20" Width. Lower throttle body mounting height to help with hood clearance. Holley laser etched logos on the black coated fuel rails and bracket assortment are included so that you can install the injectors of your choice. Fuel rail designed for maximum throttle lever clearance. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**UN0036** 63-67 Holley Intake Manifold - Small Block Chevy - EFI Intake and Fuel Rail Kit ..... **\$420<sup>99</sup>**

## HOLLEY INTAKE MANIFOLD - SMALL BLOCK CHEVY - CARB SINGLE PLANE KIT

The new single plane Intake Manifold is designed to provide a broad RPM powerband for high-performance street/strip engine applications to a maximum engine speed of 7500 Rpm. The carburetor-mounting pad is designed to accept all stock or aftermarket square-bore carburetors with manual or electric chokes. These intake manifolds are designed to accept most stock hardware and accessory brackets, but offer performance features like an updated plenum divider area, a 1" shorter height than the 300-25 manifold and a choice of two distributor clamp locations. The isolated design of the air/fuel passages helps to increase charge air density and performance. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**UN0035** 63-67 Holley Intake Manifold - Small Block Chevy - Single Plane Kit ..... **\$294<sup>99</sup>**

## HOLLEY INTAKE MANIFOLD - SINGLE PLANE - BIG BLOCK CHEVY - OVAL

Carburetor intake manifold 396Ci-502Ci with Oval Port Heads. Single plane / open plenum design. Deep plenum design with isolated runners. 4150 square bore carburetor mounting flange. Power band: 4500-8500 Rpm. Height: front 4.75", rear 6.25". Port size: 1.85" height 1.60" width. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**UN0023** 63-67 Holley Intake Manifold - Single Plane - Big Block Chevy - Oval ..... **\$280<sup>99</sup>**

## HOLLEY INTAKE MANIFOLD - SMALL BLOCK CHEVY - LATE DUAL PLANE - SQUARE BORE EGR

Street Dominator Intake Manifold with EGR 1987-Later with cast iron head. High rise dual plane design. Square carburetor mounting flange. EGR provisions. Power band: idle-6000 Rpm. Height: front 3.68", rear 5.02". Port size: 1.90" height 1.16" width. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**UN0031** 63-67 Holley Intake Manifold - Small Block Chevy - Late Dual Plane - Square Bore EGR ..... **\$244<sup>99</sup>**

## HOLLEY INTAKE MANIFOLD - SMALL BLOCK CHEVY - EARLY SINGLE PLANE - SQUARE

Strip Dominator Intake Manifold 1957-86 262Ci-400Ci, 1987-Later with aluminum heads. Single plane with isolated plenum. Square bore carburetor mounting flange. Isolated water cross-over. Power band: 4500-7600 Rpm. Height: front 5.11", rear 5.97". Port size: 2.05" height 1.22" width. **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

**UN0030** 63-67 Holley Intake Manifold - Small Block Chevy - Early Single Plane - Square Bore ..... **\$270<sup>99</sup>**

## HOLLEY INTAKE MANIFOLD - SMALL BLOCK CHEVY - EARLY SINGLE PLANE - SQUARE BORE - KEITH DORTON

This is a great manifold designed for competition engines built for circle track and drag racing using 23 degree standard port heads. Ideal for classes that require cast iron heads that require an unported intake manifold. Power band: 4500-8500 Rpm. Isolated water cross-over. Square bore carburetor mounting flange. Single plane with isolated plenum. Port size: 2.00" height, 1.20" width. Height: front 6.13", rear 6.13". **Notes:** Not legal for install or use on emissions controlled vehicles. May not clear stock hood.

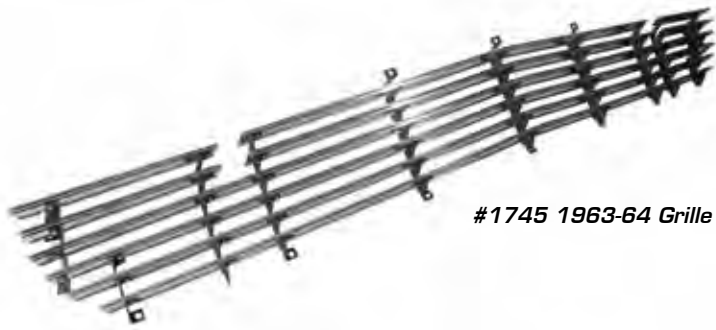

**UN0029** 63-67 Holley Intake Manifold - Small Block Chevy - Early Single Plane - Square Bore - Keith Dorton ..... **\$361<sup>99</sup>**

**#4006**  
1963-67  
AC Conversion  
System

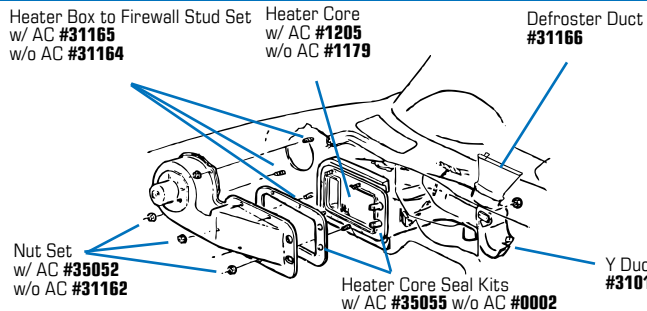

## AIR CONDITIONING CONVERSION SYSTEM

Your complete Perfect Fit Corvette A/C system comes with:

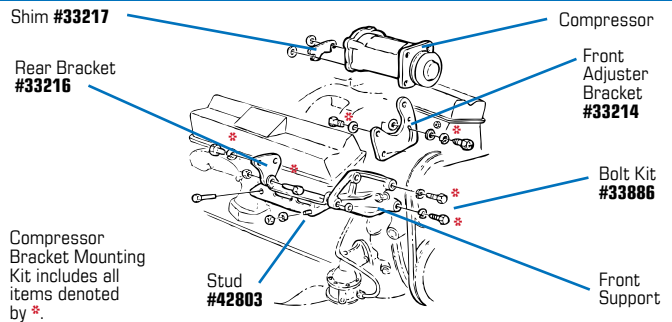

- All interior components. • Evaporator assembly.
- Condenser kit including pre-engineered condenser mounting.
- Pre crimped refrigeration hoses. • Sanden style compressor.
- Hi-Low refrigerant pressure switch for compressor protection.
- Aluminum hookup tubes. • Compressor mounting hardware.
- Installation instructions and mounting template.

**4006** 63-67 AC Conversion System..... **\$1725<sup>99</sup>**

## 1963-67 HEATER

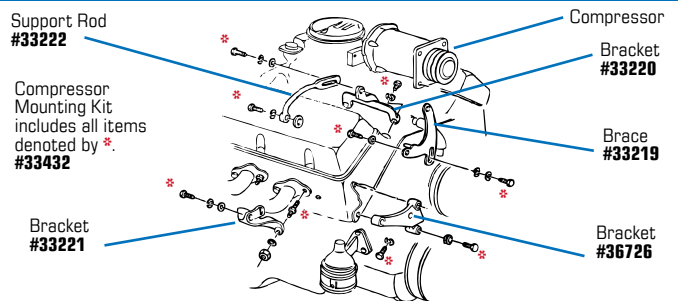

## 1964-67 327 AC COMPRESSOR MOUNTING

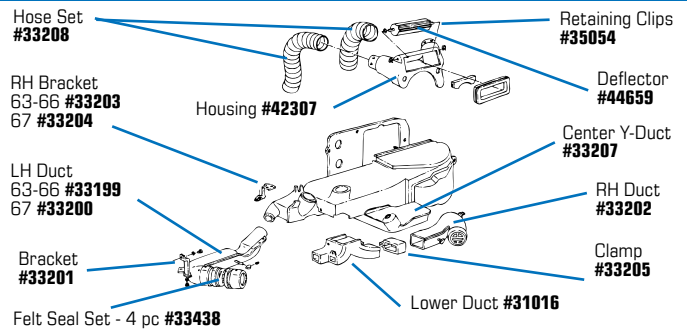

- 33214** 64-67 AC Compressor Adjuster Brace - Front - 327 ..... **\$71<sup>99</sup>**
- 33216** 64-67 AC Compressor Bracket - Rear - 327 ..... **\$24<sup>99</sup>**
- 42803** 64-67 AC Compressor Bracket to Manifold Stud..... **\$9<sup>99</sup>**
- 33430** 64-67 AC Compressor Bracket Mounting Kit - 26 pc ..... **\$22<sup>99</sup>**
- 35022** 64-67 AC Compressor Mount Bolts & Washers - 327..... **\$7<sup>99</sup>**
- 33217** 64-67 AC Compressor Rear Bracket Shim - 327 ..... **\$4<sup>99</sup>**
- 33886** 64-67 AC Compressor Support Bolts - Front..... **\$9<sup>99</sup>**

## 1966-67 427 AIR COMPRESSOR MOUNTING

- 33219** 66-67 AC Compressor Adjuster Brace - 427 ..... **\$45<sup>99</sup>**
- K1256** 66-67 AC Compressor Adjuster Brace Pivot Bolt & Washer Set - 427 ..... **\$4<sup>99</sup>**
- 36726** 66-67 AC Compressor Bracket - Front - 427 ..... **\$101<sup>99</sup>**
- 33221** 66-67 AC Compressor Bracket - Rear - 427 ..... **\$91<sup>99</sup>**
- 36727** 66-67 AC Compressor Bracket Bolt Kit - Rear - 427..... **\$2<sup>99</sup>**
- 33432** 66-67 AC Compressor Bracket Mount Kit - 30 pc..... **\$24<sup>99</sup>**
- 33222** 66-67 AC Compressor Rear Support Rod - 427 ..... **\$45<sup>99</sup>**
- 33220** 66-67 AC Compressor Rear Support Rod Bracket - 427 **\$74<sup>99</sup>**

### ELECTRIC HEADLIGHT DOOR KIT

This Electric Headlight Door Kit replaces the stock electric actuated system on all 1963-67 Corvettes. When installed, this kit operates the headlight doors more reliably, smoother & in sync than stock. The C2 Electric Headlight Kit uses current sensing technology to provide a system that needs no adjustment & is extremely safe. No permanent modification to your classic Corvette is needed. Owners have the option to return their vehicle back to its original configuration if desired, leaving no holes or spliced wires behind. Once installed, you will no longer need to operate the headlamp doors separately with the problematic factory momentary switch, the control module will automatically actuate them when the headlamps are turned on/off. The doors can also be manually opened & closed for headlight maintenance/cleaning by simply rotating them by hand (unlike originals that require the owner to open the hood and locate/spin a tiny wheel on the motor.) The kit comes complete with everything you need for installation including two electric actuators, a control module, harness, mounting brackets & hardware.

## AM/FM STEREO

Direct Replacement.  
No Modification.  
5 Push Button, CD Changer  
Compatible w/ CD Changer Control.  
Rear USB Port, 2 Channel AUX Input.

- 37942** 63-67 Stereo - AM / FM 240 Watt..... **\$249<sup>99</sup>**
- 37944** 63-67 Stereo - Bluetooth Interface..... **\$121<sup>99</sup>**

## CUSTOM FIT 200W STEREO

Aux Port in Back of Stereo For Ipod, MP3 and USB Connections.

- 46363** 63-67 Custom Fit 200W Stereo..... **\$305<sup>99</sup>**

## USA 240 WATT AM/FM STEREO

AM/FM Stereo, 240 Watts. AUX Input RCA to 1/8" Pin Jack included. Digital Clock Electronic Tuner, 16 Pre-sets, 4 Channel RCA Pre-outs, 4 Way Fader and Power Antenna Lead. If you don't need USB/MP3 or CD changer control this is the model for you. An awesome looking radio at a great price! Radio has no cassette but comes with auxiliary audio input. If you have a portable MP3 player or Satellite radio just plug it into the Aux input and listen to it through this radio.

- 52057** 63-67 USA 240 Watt AM / FM Stereo ..... **\$203<sup>99</sup>**

## KICK PANEL SPEAKERS

Get more sound quality without cutting or drilling your classic Vette. Custom Autosound's Black ABS Kick Panel Speakers replace your originals without modifications and can be dyed to match your interior.

- 43389** 63-67 Kick Panel Speakers - 80 Watt 4"x 6" 2-Way - pr.. **\$142<sup>99</sup>**

## AM/FM STEREO RADIOS

Maximum power = 180 Watts RMS. Do not use original speakers. Uses original antenna. Fits in dash without any modifications. Chrome plated die-cast nose piece, band selector bar & push buttons look original. Correct Knobs. Slidebar duplicates action of original. 10 presets. Only 3" depth behind dash. Analog controls look & feel like the original radio. All controls easily accessible. LED dial lights will never need replacing. Bluetooth 3.0 EDR compliant. 3.5 mm phone jack for input from iPod or MP3 players.

**45029**

Built in microphone for Hands Free Profile. HSP, A2DP, AVRCP profiles supported. Programmable audio equalizer. Place/answer calls or stream your favorite programs while maintaining original appearance!

- 45029** 63-64 Radio AM / FM Stereo ..... **\$689<sup>99</sup>**
- 45030** 65 Radio AM / FM Stereo ..... **\$689<sup>99</sup>**
- 45031** 66 Radio AM / FM Stereo ..... **\$689<sup>99</sup>**
- 45032** 67 Radio AM / FM Stereo ..... **\$689<sup>99</sup>**

## KENWOOD FRONT SPEAKERS - 220W CAPACITY

Kenwood quality replacement/upgrade for your original in-dash speakers. They handle up to 220 watts and fit directly under the dash. Each assembly includes two speakers, correct mounting brackets and wiring.

- 26338** 63-67 Kenwood Front Speakers w/o AC..... **\$81<sup>99</sup>**
- 26339** 63-67 Kenwood Front Speakers w/ AC ..... **\$86<sup>99</sup>**

## FRONT SPEAKERS - 80W CAPACITY

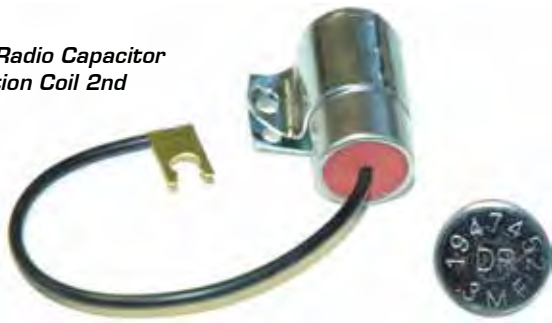

Custom Autosound's front speakers are an excellent replacement for the original in-dash speakers. They handle up to 80 Watts and fit directly under the dash. Each assembly includes two speakers, correct mounting brackets and wiring. **Note:** Will not work with stock radios.

- 26336** 63-67 Custom Autosound Front Speakers w/o AC..... **\$40<sup>99</sup>**
- 26337** 63-67 Custom Autosound Front Speakers w/ AC ..... **\$40<sup>99</sup>**

**1963-67 POWER STEERING**

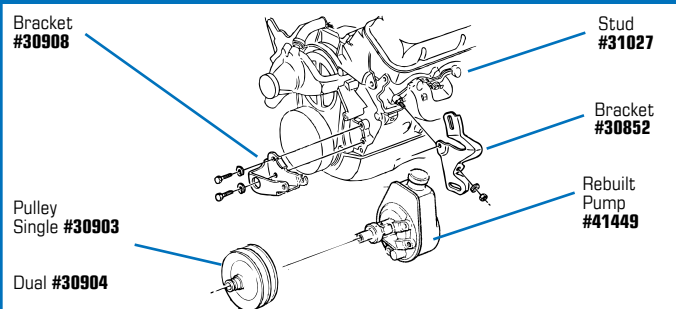

Power Steering Rebuild Kits include: Fluid Hoses, Valve & Cylinder SB #42987 or 43200 — BB #42986 or 43201

**1963-67 327 POWER STEERING PUMP**

**1965-67 BIG BLOCK POWER STEERING PUMP**

#1660 Control Valve Kit

## POWER STEERING VALVE & CYLINDER REBUILD KITS

- 1660** 63-67 Control Valve Kit ..... **\$28<sup>99</sup>**
- 1666** 63-67 Cylinder Kit ..... **\$20<sup>99</sup>**

**Note:** Installation of Control Valve and Cylinder Rebuild Kits requires removal of the component from your vehicle and breaching the power steering fluid system. If you are not comfortable with these procedures, we recommend a qualified professional perform the rebuild.

## POWER STEERING REBUILD KITS

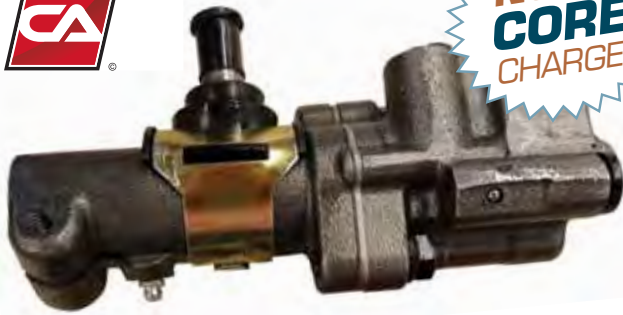

Power Steering Rebuild Kits include a valve, cylinder, hose set and fluid. Kits that include rebuilt valves and cylinders require refundable core charges at time of purchase.

- 42986** 65-67 PS Rebuild Kit - BB - New Valve & Cylinder..... **\$420<sup>99</sup>**
- 42987** 63-67 PS Rebuild Kit - SB - New Valve & Cylinder..... **\$387<sup>99</sup>**
- 43200** 63-67 PS Rebuild Kit - Small Block - Rebuilt Valve & Cylinder - Core Charges Req'd ..... **\$689<sup>99</sup>**
- 43201** 65-67 PS Rebuild Kit - Big Block - Rebuilt Valve & Cylinder - Core Charges Req'd ..... **\$706<sup>99</sup>**

### KITS INCLUDE

- Pump (rebuilt)
- Bolts
- Hoses
- Supports
- Control Valve
- Slave Cylinder
- Pitman Arm
- Brackets
- Relay Rod
- Braces
- All Hardware
- Instructions

**NO  
CORE  
CHARGE**

#1999 NEW PS Control Valve

## POWER STEERING CONTROL VALVES & CYLINDERS

New units provide the utmost convenience at a great price. These New units are similar in price to Rebuilt units found elsewhere! Each rebuilt Control Valve & Cylinder requires the exchange of a core in reconditionable, non-damaged condition. If no core is available at time of purchase, a refundable core charge is required.

- 1999** 63-67 Power Steering Control Valve - **New** - No Core... **\$226<sup>99</sup>**
- 20760** 63-67 Power Steering Control Valve - Rebuilt ..... **\$139<sup>99</sup>**
- 29990** 63-67 Power Steering Control Valve Core Charge ..... **\$150<sup>00</sup>**
- X2171** 63-67 Power Steering Cylinder - **New** - No Core ..... **\$142<sup>99</sup>**
- 20761** 63-67 Power Steering Cylinder - Rebuilt..... **\$135<sup>99</sup>**
- 29989** 63-67 Power Steering Cylinder Core Charge..... **\$100<sup>00</sup>**

**Note:** Core Charge will be refunded upon return of an Original Valve / Cylinder in Rebuildable Condition.

## POWER STEERING CONVERSION KITS

Kits contain everything you need to convert to power steering. All parts covered by 90-day manufacturer's warranty. Belts must be purchased separately.

- 2010** 63-67 Small Block ..... **\$969<sup>99</sup>**
- 2013** 63-67 Small Block - HP ..... **\$1099<sup>99</sup>**
- 42763** 66-67 Big Block..... **\$1265<sup>99</sup>**

#4505 KYB Gas Shock Absorber - Front

#43902 Front Heavy Duty Bilstein Shocks

#1398 Front Shocks

**FRONT SHOCKS**

Monotube construction, seamless eye rings and cylinder and unmatched valving action provide outstanding handling, improved traction and better response. **These long-lasting, trouble-free shocks outperform the rest, and are covered by a limited lifetime manufacturer's warranty.** For use with radial or bias-ply tires.

- 4505** 63-67 KYB Gas Shock Absorber - Front ..... \$60<sup>99</sup>
- 40578** 63-67 KYB GR-2 Gas Shock Absorber - Front..... \$58<sup>99</sup>

**BILSTEIN SHOCKS**

Gas pressure shocks are constructed to dissipate heat more effectively to improve the ride, handling and control of your car. **Built to last with a lifetime warranty to prove it.**

**COMPLETE FRONT MONOSPRING SYSTEM**

A complete system to replace your old, outdated coil springs and heavy factory A-Arms with lightweight Lower A-Arms and a specially designed, transversely mounted composite spring. Enhances ride and handling. **Fully adjustable. Ideal for all driving applications. Bolt-on installation. Covered by a manufacturer's 5-year, limited warranty.**

- 40585** 63-67 Complete Front Monospring System ..... \$1141<sup>99</sup>

**HEAVY DUTY UPPER A-ARMS**

Box-tube MIG welded A-Arms are stronger and lighter than stock. Poly bushings allow arms to pivot more freely with less deflection than stock rubber bushings. Relocated ball joint mounts are designed to allow up to 5° positive caster and a greater camber adjustment range for handling far superior to stock. A-Arms are shipped pre-assembled with offset cross-shafts, ball joints and poly bushings already installed. Ball joints included. **Limited lifetime warranty.**

- 40584** 63-67 Upper A-Arms - Heavy Duty - Ball Joint - pr ..... \$786<sup>99</sup>

**PERFORMANCE FRONT COIL SPRINGS**

For less money than a set of stock coils, you can upgrade your Corvette to Vette Brakes & Products' Performance Coil Springs. **They're made of high-grade American Steel, then powder coated for great looks, durability and corrosion resistance.** 1963-67 Performance Coil Springs give you even greater handling capacity, and lower your Corvette approximately 1" while upgrading to F-41 specifications.

- 20394** 63-67 Front Coil Springs - 327 w/o AC - 460 lb - pr..... \$89<sup>99</sup>

#40595

**POLY SMART STRUT® KITS**

Polyurethane Smart Struts eliminate change in rear wheel camber. At 2 1/2" of wheel travel, the 1963 Corvette rear camber setting changes over 2°. The same car equipped with Smart Struts has measured camber change of less than one-tenth of a degree at over 5 1/2" of wheel travel— now that's proven results! Smart Struts are guaranteed to improve handling and reduce uneven tire wear. **They also reduce hub bearing wear by reducing side loading. Limited lifetime warranty.**

**Poly Smart Strut Kits include:**

- Custom Strut Rod Mounting Brkt
- Camber Adjustment Cams
- Polyurethane Rod End Bushings
- All Hardware & Instructions

**40595** 63-67 Poly Smart Strut Kit ..... **\$249<sup>99</sup>**

**REAR SUSPENSION HARDWARE KITS**

All the nuts, bolts, washers, lock washers, slotted nuts, castle nuts, cushions and cotter pins needed to rebuild, repair or replace the same items in the following areas:

- Center & Outer Rear Springs
- Strut Rod Adjusting Cams
- Outer Half Shafts
- Rear Crossmember
- Upper & Lower Shocks
- Carrier Bracket w/Cushions
- Strut Rod Brackets
- Trailing Arm

**1807** 63-64 Rear Suspension Hardware Kit - 120 pc ..... **\$172<sup>99</sup>**

**1808** 65-67 Rear Suspension Hardware Kit ..... **\$163<sup>99</sup>**

**POLY ADJUSTABLE STRUT RODS Now with Forged Ends!**

Designed to help keep rear tires in correct vertical alignment, Adjustable Strut Rods decrease negative camber settings that can wear down your tires and adversely affect your car's handling. These rods are stronger than stock and feature polyurethane bushings for long life. Best of all, there are no adjustment cams - simply lengthen or shorten the strut rods by turning them, then tightening the jam nuts— that's it! Poly Adjustable Strut Rods give you triple the adjustment range of stock camber adjustment rods.

**X2464** 63-67 Strut Rods - Poly - Adjustable - pr ..... **\$112<sup>99</sup>**

## TOURING SUSPENSION KIT

This specially designed package improves both ride and handling. Balanced anti-sway bars assure flat, neutral steering. New springs restore ride height and lifetime gas shocks smooth and control your Corvette. Upgrade the 9-Leaf Steel Spring in the standard touring kit to a 330# Composite Monospring for only \$100 more!

Touring Suspension Kit includes:

- 1.125" Front Anti-Sway Bar Kit
- KYB GR-2® Shocks
- .750" Rear Anti-Sway Bar Kit
- 9-Leaf Steel Spring
- 460 lb./in Powder Coated Coil Springs
- Leaf Spring Hardware Kit

<b>40605</b> 63-67 Susp. Kit - Touring .....	<b>\$856<sup>99</sup></b>
<b>40606</b> 63-67 Susp. Kit - Touring w/ Monospring .....	<b>\$958<sup>99</sup></b>

**Upgrading your suspension is a sound investment that yields immediate performance benefits!**

*Our Suspension Kits reward you with superior ride and handling from premium quality components. Once you've experienced the smooth performance you'll wonder how you ever got along without it!*

**Note:** All Suspension Kits contain oversized packages and require additional freight charges. Please ask your sales representative for details.

## PERFORMANCE SUSPENSION KIT

Designed for more aggressive driving, this package is a step above the famous F-41 option. Monospring rides better than a steel spring, gas shocks dampen better and adjustable strut rods lock down the rear end. Performance Suspension Kit includes:

- 1.125" Front Anti-Sway Bar Kit
- Bilstein® Shocks
- 355 lb. Composite Monospring
- .750" Rear Anti-Sway Bar Kit
- Poly Adjustable Strut Rods
- 550 lb. Powder Coated Coil Springs
- Monospring Hardware Kit

<b>40607</b> 63-67 Suspension Kit - Performance .....	<b>\$1309<sup>99</sup></b>
---	----------------------------

## COILOVER SYSTEM W/ REBOUND ADJUSTABLE SHOCKS

The RideTech CoilOver System for your Corvette includes everything you need to make your vintage classic handle like a new Corvette. The package contains front upper and lower control arms, tall spindles, billet steering arms, inner & outer tie rods, front MuscleBar, rear trailing arms and 4 HQ Series CoilOvers for every corner of your vehicle. The benefit of buying a complete suspension system is that RideTech has removed the guesswork by collecting data to determine the perfect spring rates and components to improve your vehicle's performance and ride quality. Requires part #22377 Stock or part #22376 Upgrade Brake Kit.

<b>52490</b> 63-67 CoilOver System - Front & Rear w/ Rebound Adjustable Shocks .....	<b>\$7011<sup>99</sup></b>

**Front Coilover Kit**

These kits are assembled to order, and are tailored to your engine size and chassis options for greatly improved handling. Other spring, shock, and bushing options are available for track enthusiasts; as well as complete rear arm assemblies with bearings and rotors pre-installed. Call with your specific needs and let us build a kit custom tailored for you!"

**Rear Coilover Kit**

**COILOVER SUSPENSION CONVERSION KITS**

Coilover Suspension Kits make it possible to gain all the advantages of a coil over suspension and fine-tune your ride with much more control and versatility. With the turn of a knob you can make your suspension stiffer and more responsive for track days, or more plush and comfortable for daily driving conditions. Personalize your settings to strike your own custom balance of comfort and handling.

**ADVANTAGES OF A COILOVER SETUP:**

- Easier suspension adjustments
- Makes all four corners truly independent
- Maintains a consistent spring rate regardless of suspension travel or deflection
- High-quality shocks are rebuildable and revalve-able
- Shocks are more rigidly mounted for better performance & durability.

### Detroit Speed Suspension Kits

Detroit Speed's Independent Coilover Suspension Kits give you the control to set up your 1963-1982 Corvette with superior handling, improved ride quality, precision steering, greater adjustability and faster spring changes. Kits are available with Non-Adjustable, Single-Adjustable or Two-Way-Adjustable Shock Absorbers.

### Detroit Speed SpeedRay Front Suspension Kits

The system features 'Detroit Tuned' quick ratio power rack and pinion steering along with forged in the USA DSE aluminum uprights. The bolt-on powder-coated cradle assembly improves suspension geometry, provides rigid mounting for the rack and pinion, and includes integrated tie down eyelets. DSE/JRi 'Detroit Tuned' Coilover shocks/springs allow for spring rate tuning and ride height adjustment. It also includes a splined anti-roll bar with aluminum arms, composite bushings, powder coated tubular upper and lower control arms with Delrin bushings, forged offset upper control arm mounting brackets with caster tuner bushings to optimize suspension geometry and provide clearance for Gen V LT4 engines. The kit also includes Torrington bearings and a spanner tool for easy spring height adjustments. The body and engine do not need to be removed for installation of the SpeedRay™ front suspension. Available as a bolt-in kit.

### SpeedRay Features:

- TIG-welded tubular upper & lower control arms
- Detroit Speed/JRi aluminum body coilover shocks with "Detroit Tuned" valving - Detroit Speed / JRi Shock upgrades available.
- Coilover Springs
- "Detroit Tuned" power rack & pinion steering
- Integrated splined sway bar with composite bushings
- Forged control arm cross shafts with caster tuner bushing
- Forged aluminum Detroit speed spindles
- Made in the USA

**Detroit Speed Suspension Kits**

Detroit Speed's Independent Coilover Suspension Kits give you the control to set up your 1963-1982 Corvette with superior handling, improved ride quality, precision steering, greater adjustability and faster spring changes. Kits are available with Non-Adjustable, Single-Adjustable or Two-Way-Adjustable Shock Absorbers.

**Detroit Speed DECALink™ Rear Suspension Kits**

The DECALink™ Independent Rear Suspension features an exclusive DSE suspension geometry for superior handling and ride quality. The IRS utilizes modern CV axle shafts and hub bearings, keeping suspension loads from being transmitted through the axle shafts. The DECALink™ IRS works with an original 17-spline differential assembly with upgrades to 30-spline or a Hammerhead 12-bolt differential. Note: Minimal welding is required.

**DECALink Features:**

- Detroit Speed aluminum uprights forged in the USA
- Detroit Speed/JRi "Detroit Tuned" coilover shocks - (upgrades available)
- Coilover springs
- Rear Sway Bar
- Torrington bearings

With Direct-Bolt Knock-Off Wheels you get original-style looks & ease of use. You don't need a lead hammer for the spinner installation; it mounts directly to a specially designed & patented wheel adaptor. The spinners are the same as those used on the Original Style Knock-Offs, as are the Center Caps & Anti-theft pins.

**Only \$2,399<sup>99</sup> Set. Hardware included!**

**SELECTA SPEED WIPER MOTOR KIT**

A downpour of rain will no longer hinder your ability to clearly see the road. This kit provides you with the performance and convenience of a late model wiper system in a package that easily and cleanly mounts in your car. The wiper kit contains a low profile, seven-speed wiper motor with 5 delays, low speed & high speed, rotary switch, adapter plate, and wiring harness. The CNC aluminum adapter plate mounts the wiper motor to the stock firewall bolt pattern and requires no permanent modifications to the vehicle. The supplied wiring harness uses the factory wiper grommet opening and requires no cutting of the factory harness. This allows owners the option to return their classic Corvette back to its original configuration, leaving no holes or spliced wires behind.

**52393 63-67 Selecta Speed Wiper Motor Kit ..... \$575<sup>99</sup>**

**SELECTA SPEED WASHER PUMP KIT**

This Windshield Washer Pump Kit is designed to be used with the Selecta Speed Wiper Motor Kit. This replaces the OEM washer pump. This kit has a push button function on the wiper switch. This kit also has a power and ground wire in the wiring harness to install the Washer Pump Kit.

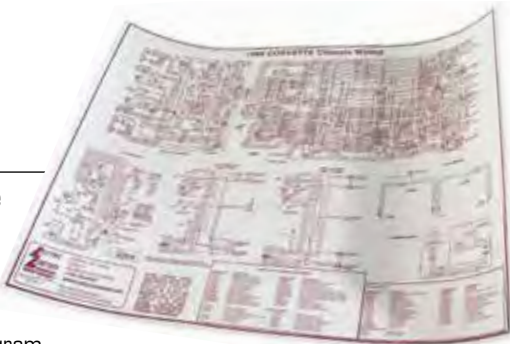

**52394 63-67 Selecta Speed Washer Pump Kit ..... \$49<sup>99</sup>**

## WIRING HARNESS SYSTEM - RESTOMOD

Designed with the foresight, engineering, and flexibility to bring your electrical system up to date. Choose the routing of the wiring to fit your needs and accommodate all of the most popular custom/ aftermarket and reproduction/original accessories available. Includes many of the vehicle's basic electrical devices and detailed instructions. Note: System is for restomod vehicles, will not support points ignition, ammeters, or stock alternator/generator.

**ADVANCED DRIVER ASSISTANCE SYSTEM - ADAS+**

As new cars hit the roads with advanced safety features, drivers of older cars may wish they had access to the same vehicle technology being offered... and now they can! The ADAS + Advanced Driver Assistance System is a forward crash and lane departure warning system with the added benefit of a built-in digital video recorder (DVR). Benefits: NEW! Automatic Calibration, Forward Collision Avoidance, Lane Departure Warning, Pedestrian Detection, Forward Car Departure Alert, Motorcycle Collision Alert, Safe Distance Alert, Virtual Bumper and Video & Event Recording.

**57054** 53-67 ADAS+ Advanced Driver Assistance System ..... **\$749<sup>99</sup>**

**Call or go online today to see our complete line of products and place your order!**

**ADAS+ DASH DISPLAY MODULE**

The ADAS+ Dash Display Module is designed to notify the driver of all ADAS + detections including forward crash and lane departure. It can be easily mounted to any dash for easy viewing. An accessory for the ADAS+

**57055** 53-67 Dash ADAS+ Display Module ..... **\$79<sup>99</sup>**

**#57053** ADAS+ Seat Belt Vibration Alert Module

**ADAS+ SEAT BELT ALERT MODULE**

**#57053** — The ADAS+ Seat Belt Vibration Alert Module is designed to notify the driver of all ADAS+ detections including forward crash and lane departure. It can be easily mounted to any seat belt or the vibration module can be inserted into the bottom seat cushion of the vehicle's driver seat, to mimic the haptic warning systems found in many OEM vehicles. This is an accessory for the ADAS+

**57053** 53-67 ADAS+ Seat Belt Vibration Alert Module ..... **\$69<sup>99</sup>**

**UNIVERSAL CMOS CAMERAS**

**#57064** — This low-cost aftermarket Complementary Metal Oxide Semiconductor - CMOS - camera is ideal if you're looking to save some money and for a non-OEM solution. It utilizes a unique multi-mount mounting system that allows for horizontal or vertical camera mounting. The image can be flipped during installation to accommodate both mounting positions. This camera features parking gridlines and as an added bonus. These parking lines can be turned off during installation.

**#57065** — This low-cost aftermarket CMOS camera is ideal if you're looking to save some money and for a non-OEM solution. It utilizes a unique snap-in mounting system that requires minimal surface area to attach the camera. This camera features parking gridlines and as an added bonus, these parking lines can be turned off during installation. The camera also features image reversing for forward mounting applications that can be turned on during installation as well.

**#57066** — This low-cost aftermarket CMOS camera is ideal if you're looking to save some money and need a reliable camera. It features two unique mounting options; it can be installed behind the license plate or on a flat vehicle surface with minimal surface area requirements. This camera provides superior night vision thanks to the infrared lights on both sides of the camera. This camera features parking gridlines and as an added bonus, these lines can be turned off during installation. When using parking lines, it is recommended to mount the camera on the centerline of the vehicle.

- 57065** 53-67 Universal Snap-in Lip Mount CMOS Camera ..... **\$89<sup>99</sup>**
- 57066** 53-67 Universal Dual Mount CMOS Camera w/ Infrared Light..... **\$99<sup>99</sup>**

**UNIVERSAL SNAP-IN ADJUSTABLE BULLET CAMERA**

This camera is perfect for mounting on flat surfaces where traditional license plate or lip mount cameras would not work. A small hole is all you need to mount this camera onto the vehicle. A fully adjustable camera head allows the driver to swivel the camera into a position that provides the optimum view for their particular vehicle. This camera features parking gridlines and as an added bonus, these parking lines can be turned off during installation. The camera also features image reversing for forward mounting applications that can be turned on during installation as well.

**#57072**  
LCD 4.3" Display Mirror

**LCD DISPLAY MIRRORS**

**#57072** — This rear view mirror provides the driver with a view from the installed backup camera with its crystal clear 4.3 embedded LCD screen. When you put your vehicle into reverse, the display will automatically turn on. When not in reverse, the screen completely disappears letting you utilize the mirror portion.

**#57074** — You probably haven't seen an LCD Display Mirror like this before. This mirror is capable of displaying either a single camera feed on its bright 7.3" LCD screen, or dual camera views in split screen mode on two 3.6" side-by-side screens. Either way, you get a new super-large image capability not seen in a rear view mirror before, or the versatility of two display screens side-by-side. Featuring 3 camera inputs, this mirror allows you to connect not just a reverse-triggered back up camera, but two additional video inputs as well. You can manually activate the additional cameras with the flip of a switch (not included) or by using one of our innovative Curb Alert Park View PRO sensor systems.

## RADAR BLIND SPOT SYSTEM

This is the one retrofit Radar Blind Spot monitoring and detection system that works like an original equipment-based system. It works closer to the systems found on new vehicles than any other system available. Newly updated and improved from our original system, Brandmotion's radar-based system works with any vehicle with plastic fascias (all bumpers except metal pickup truck bumpers) and offers the only system based on automaker-validated original equipment components, resulting in true OEM-like fit, finish and performance. Brandmotion offers the first aftermarket solution to include cross traffic detection as well as the first system to eliminate 95% of false triggers common in other systems. The system uses CAN data to accurately obtain vehicle speed and is compatible with all vehicle makes and models 2005-current. Includes all necessary mounting hardware including under rear fascia sensor mounting brackets.

**57079** 53-67 Radar Blind Spot System..... **\$749<sup>99</sup>**

WARNING: Cancer and Reproductive Harm —

## PARKING SYSTEM - SWITCHABLE TO FRONT OR REAR

Avoid common backup accidents! Brandmotion's Switchable Front or Rear Parking System can be installed on any vehicle - car, SUV or truck. Distance readout is shown on LED display that can be installed conveniently on the vehicle dash, or inverted for headliner or rear vehicle mounting. An audible tone increases in frequency as objects are approached. Sensors mount into the front or rear bumper with integrated rubber isolators to improve performance on steel bumpers. Special angle mounts allow sensors to work on all vehicles types. Sensors have adjustable sensitivity to avoid false triggers due to tow hitches or spare tire carriers. Sensors come in black and can be easily painted.

**57042** 53-67 Switchable - Front or Rear - 4 Sensor Parking System ..... **\$139<sup>99</sup>**

## FREEDOMCHARGE MAX UNIVERSAL QI WIRELESS CHARGING KIT

FreedomCharge MAX makes charging your phone even easier. The updated triple coil allows for charging through thick cases including OtterBox®. FreedomCharge MAX uses the wireless charging standard, Qi, to keep your phone charged without the hassle of plugging it in. This is a universal vehicle installation kit that can be cut to fit

most any vehicle phone storage tray area. The system works by using inductive charging technology to allow your smartphone to charge without connecting a charger. No longer will you have to search for your charger and orient it the correct way just to plug in your phone. Add a new level of convenience to your car and keep your eyes on the road instead of fumbling with a tangled mess of cords.

**57062** 53-67 FreedomCharge Max Universal Charging Kit ..... **\$164<sup>99</sup>**  
**57063** 53-67 FreedomCharge Power Point T-Harness - for hardwiring to a vehicle's 12 volt power supply..... **\$38<sup>99</sup>**

## UNIVERSAL CENTER ARMREST WIRELESS CHARGING

Seamlessly integrate wireless charging into your vehicle's armrest. Allows phone to be visible and accessible (not intended for use while driving). This kit will fit 90% of vehicles armrests, be sure to check armrest dimensions to make sure it is compatible with product (4.8" x 7.95" x .737"). FreedomCharge uses the wireless charging standard, Qi, to keep your phone charged without the hassle of plugging it in. This is a universal vehicle installation kit that can be cut to fit most any vehicle phone storage tray. The plastic substrate and rubberized phone mat can be cut using household tools - scissors and a utility knife. The system works by using inductive charging technology to allow your smartphone to charge without connecting a charger. No longer will you have to search for your charger and orient it the correct way just to plug in your phone. Add a new level of convenience to your car and keep your eyes on the road instead of fumbling with a tangled mess of cords.

# POLICIES

**Terms and Conditions:** Goods and/or services sold by our company, hereinafter referred to as "Seller", to customer, hereinafter referred to as "Buyer", are expressly subject to these terms and conditions set forth below. Any proposal for different or additional terms and conditions contained in any prior oral or written communication, including, without limitation, are hereby objected to and rejected, but such proposal shall not operate as a rejection of this agreement unless such variances are in the terms of the description, quantity, price or delivery schedule of the goods and/or services but shall be deemed a material alteration thereof, and this agreement shall be deemed accepted by Buyer without said additional or different terms. Buyer's acceptance of shipment or performance and/or payment for the goods or services constitutes acceptance of Seller's terms and conditions. The Seller may, from time to time, change or supplement these terms and conditions.

**Payment:** We Accept Credit & Debit Cards, Checks and Money Orders. Payment must be received in full prior to shipment.

**Prices Subject to Change:** All prices and/or discounts are subject to change without prior notice. All prices quoted by Seller will be in effect for a period of thirty (30) days from the date of the written quotation unless otherwise stated. While every effort is made to ensure accuracy, Seller is not responsible for errors or omissions or unforeseen price adjustments in distributed catalogs or our website. Note: Some non-discount, limited discount or pre-discounted items may be excluded from certain promotional pricing and cannot be combined with other offers.

**Limited Warranty:** Seller makes every effort to list the warranty for each product on the product webpage. Unless otherwise specified, all products are warranted to be free of defects in workmanship and materials under normal use for a period of 30 days from the invoice date.

**Limitation of Liability:** Seller's liability on any claim for loss or damage arising out of this contract or from the performance or breach thereof or connected with any goods or services supplied hereunder, or the sale, resale, operation or use of goods, whether based on contract, warranty, tort (including negligence) or other grounds shall not exceed the price allocable to such goods or services or part hereof involved in the claim regardless of cause or fault. Seller shall not under any circumstances be liable for any labor charges without its prior written consent. In no event shall Seller be liable for any incidental or consequential damage, including but not limited to, loss of profits or revenue, loss of use of products or associated product, cost of capital, cost of substitute products, facilities or services, downtime costs, or claims of customers of Buyer for such damage.

## **Shipping Damage, Lost or Missing Merchandise:**

Unless otherwise noted, all sales of goods are made F.O.B. point of shipment and, in all cases, title and risk of loss or damage shall pass upon Buyer with delivery to the carrier at point of shipment. Seller reserves the right of carrier selection. Delivery dates given in advance of actual shipment of goods or performance of services are estimates and shall not be deemed to represent fixed or guaranteed delivery dates. Buyer is required to examine all shipments upon arrival to ascertain condition. If any shortages or damages occurred in transit, please contact Seller within 5 days of receipt for instructions on how to proceed. Failing to do this could jeopardize the refund or replacement of the damaged or missing items. Please save the original box and packaging materials for inspection by the carrier. Damage/loss claims cannot be filed after 15 days from the date of receipt of the package. Items shipped via truck must be opened and inspected while the driver is still on the premises, and damage noted if there is any.

**Refused Shipments:** If a shipment is refused, customer will be charged for

shipping and handling plus a restocking charge of 15% of the product value.

**Returns:** You may return products other than Special Orders, if returned in unused, original condition in original packaging. There is no need to call for authorization. Complete the Return Form enclosed with your shipment and send the package back to us. It is recommended that you insure the package and retain your receipt of shipment. No COD returns will be accepted. Qualified returns will be refunded in the same method they were paid (i.e. credit card refund or refund check). There will be a full refund on returns up to 30 days from invoice date. Qualified returns older than 30 days but less than 90 days, will be assessed a 25% restocking fee. Special orders, custom products, electrical products, tools, books, videos, CD's/DVD's, exhaust products after installation, returns of partial sets/kits or returns more than 90 days old will not be accepted. Any unauthorized returns will be mailed back to customer at customer's expense.

**Core Return Policy:** Our rebuilders are not able to accept core returns on items once they have been modified in any manner. In order to receive full core credit, core returned must be from a vehicle that is the same year, application and options as the item ordered. Core must be complete, in rebuildable condition and drained of all fluids to receive full credit. Cores are to be shipped to Seller pre-paid by the customer. Core verification takes approximately 3-4 weeks. If you have any questions, please contact our Customer Service Department prior to returning.

**Force Majeure:** Seller shall not be liable for failure to deliver or for delay in delivery or performance due to (i) a cause beyond its reasonable control, (ii) an act of God, act or omission of Buyer, act of civil or military authority, governmental priority or other allocation or control, fire strike or other labor difficulty, riot or other civil disturbance, insolvency or other inability to perform by the manufacturer, delay in transportation, or (iii) any other commercial impracticability. If such a delay occurs, delivery or performance

shall be extended for a period equal to the time lost by reason of delay.

**Indemnification:** Buyer hereby (1) waives, releases and discharges any and all claims with the exception of claims for breach of this sales contract of every kind, including, but not limited, to injury or death of any person or damage to property, which it may have at any time against Seller, its agents or employees, by reason of or arising out of any condition of or defect in the goods and (2) covenants to indemnify and hold harmless Seller, its agents and employees from and against any and all loss, damage, expense, claims, suits, costs of defense, including attorney's fees which Seller or any or its agents or employees may sustain or incur at any time for or by reason of any injury to

or death of any person or persons or damage to any property arising out of any condition of or defect in the goods or any claimed inadequate or insufficient safeguards of safety devices or warnings.

**Governing Law:** This Agreement shall be governed by and construed according to the laws of the State of Pennsylvania.

**Entire Agreement:** This Agreement sets forth the entire agreement and understanding of the parties relating to the subject matter herein and supersedes any prior discussions or agreements between them. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, shall be effective unless in writing, duly executed by both parties.

**Severability:** If any provision of this Agreement is held to be invalid by a court of competent jurisdiction, then the remaining provisions shall nevertheless remain in full force and effect.

**Assignment:** Buyer shall not assign or delegate any or all of its duties or rights hereunder without Seller's prior written consent. Any assignment or delegation made without Seller's consent shall be null and void.

**Headings:** Headings used in this Agreement are provided for convenience only and shall not be used to construe meaning or intent.

### About California Proposition 65

California's Proposition 65 entitles California consumers to special warnings for products that contain chemicals known to the state of California to cause cancer and birth defects or other reproductive harm if those products expose consumers to such chemicals above certain threshold levels. We care about our customers' safety and hope that the information below helps with your buying decisions.

We are providing the following warning for products linked to this page:

**WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

### Motor Vehicles

#### California requires the following notice:

**WARNING:** Motor vehicles contain fuel, oils and fluids, battery posts, terminals and related accessories which contain lead and

lead compounds and other chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. These chemicals are found in vehicles, vehicle parts and accessories, both new and as replacements. When being serviced, these vehicles generate used oil, waste fluids, grease, fumes and particulates, all known to the State of California to cause cancer, birth defects, and reproductive harm.

### Tools

#### California requires the following notice:

**WARNING:** Some dust and particles created by power and hand tools from cutting, sanding, sawing, grinding, drilling and other activities contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Your risk from exposure to these chemicals varies, depending on how often you do this type of work. To reduce your exposure, work in a well-ventilated area and with approved safety equipment, such as dust masks that are specially designed to filter out microscopic particles.

## ABOUT TOP FLIGHT AUTOMOTIVE

Top Flight Automotive specializes in parts and accessories for all your favorite brands. From Corvette, Mustang, Camaro, Nova, Fairlane and others, we enable you to start repair and restoration projects large and small. The sky is the limit at Top Flight Automotive — we’ll work to supply everything you need for classic, vintage and current sports models. The experts at Top Flight Automotive are car enthusiasts ready to assist you with upgrades, performance add-ons, maintenance, car care products and much more. We provide our customers with the largest in-stock inventory for sports car parts & accessories, and our sales team has more than 175 years of combined experience that will help them guide you through the selection process. Our company occupies a 200,000+ sq. ft. headquarters/warehouse in central Pennsylvania. Our hours of operation are Monday-Thursday 8am – 7pm, Friday 8am – 5:30pm, Saturday 9am – 2pm (Phone Sales Only) and our Showroom is open from 9am – 4:30pm Monday thru Friday. We look forward to serving you!
